ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state and local governments, and federal and state health agencies recommend social distancing and other preventative measures.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and/or I may be exposed to, or infected by, COVID-19 by attending ASAS programs and that such exposure or infection may result in personal injury, illness, permanent disability and/or death. ASAS Hawaii Virtual Code of Conduct

Contact Jo-ellie Antonio for access to the Jarrett All-Stars Virtual Programs

jarrett@asashawaii.org or (808) 561-7851

After-School All-Stars Hawaii (ASAS) will be offering virtual programming that is available to all students registered with ASAS. It is important that our students feel welcome and safe online. The virtual code of conduct is intended to help everyone feel comfortable and safe. We require all our youth participants and their parent/guardian to agree to follow this code of conduct in addition to expectations outlined in the ASAS Hawaii Discipline policy.

1. Appropriate Video Call Etiquette:
 - When registering/signing-in for any video call or meeting, please use the Google account provided by your school. In the event that your school does not utilize Google programs/products, please use your First and Last Name (not a random username). This helps us to ensure the privacy of our meetings.
 - Please find a quiet area, and log-in at the scheduled time, so you can be fully present. We ask that all participants have their camera and mic function on so that we can see and hear you.
 - Please do your best to keep background noise or distractions to a minimum.
 - Please do not take your phone or computer to the bathroom.
 - Taking photos and/or videos of others, without their expressed consent, is strictly prohibited.
 - Students participating in live video calls/Google Meet sessions must have submitted a completed registration form for ASAS Hawaii, in addition to a signed Virtual Code of Conduct.
2. Appropriate attire must be worn at all times. Clothing with vulgar language, obscene gestures, racial slurs or anything that contributes to a hostile environment or would be considered inappropriate at school is not allowed. Appropriate tops and bottoms should be worn.
3. Vulgar language, including swearing, name-calling or shouting/yelling at others is prohibited. When communicating in the chat box, please do not send links or information that is inappropriate.
4. We strive to create a safe emotional and physical space. We encourage participants to honor diversity in all ways and respect opinions or perspectives. ASAS Hawaii stands up against all forms of bullying, abuse, discrimination and racism.
5. Any witnessed or reported inappropriate, threatening or offensive conduct will be investigated/evaluated by the Site Coordinator and appropriate consequences will result.
6. The use of alcohol, tobacco and/or drugs (including e-cigs/ tobacco-like products) is not permitted during virtual calls. Participants that show, obtain, display in the background, make references to or use the abovementioned products during the virtual calls will be removed from the meeting and removed from future virtual and in-person events. Law enforcement may be called if appropriate.

Students that do not abide by this code of conduct may be prohibited from participating in future virtual events or in person activities. Students or parents should let the Site Coordinator know if they witness or become aware of offensive behavior or other issues that are in violation of this code of conduct.

If you violate this code of conduct, consequences can include termination of program participation and the involvement of appropriate legal authority. After-School All-Stars Hawaii reserves the right to make situational decisions based on our policies and mission.

All student participants, along with their parent/guardian, must agree to this code of conduct prior to participating in any virtual ASAS programming.

AFTER-SCHOOL ALL-STARS HAWAII CONCUSSION MANAGEMENT

Aloha After-School All-Stars Hawaii (ASAS) Parents and Guardians,

In order to provide your student-athlete with the safest possible experience in our programs, ASAS practices strict adherence to concussion protocols. We see it as our duty to inform students/parents/guardians of the risks associated with brain injuries as well as to provide information about an on-line training resource for you to stay informed about brain injuries, specifically concussions and the Hawaii Concussion Law.

What is Hawaii Concussion Law?

Hawaii Concussion Law ACT 262 includes:

- Education of parents, athletes, school staff and administrators and sport officials.
- Includes youth sports from 11 years old and above.
- Annual training of coaches.
- Mandatory immediate removal of the athlete when a concussion is suspected.
- Need for clearance to return to play by a licensed health care provider trained in concussion management.
- Return to learn and gradual return to play protocols.

We would like to take this opportunity to inform you about an information resource and strongly suggest you take the time to become knowledgeable about brain injuries and concussion protocols.

Please find below a link to the Hawaii Concussion Awareness Management Program educational course for parents. You will find this resource helpful in ensuring you and your student-athlete make informed decisions about staying safe in relation to concussion and potential brain injuries. On completion of the course you will receive a downloadable certificate.
