ANY OTHER SUCCESS/HIGHLIGHT FOR THE MONTH

To ensure that we are prepared for anything that may come our way, staff from Waialua All-Stars attended CPR/First Aid training. Which also included some important updates for performing first aid during our current pandemic.

2020-21 MONTHLY HIGHLIGHTS

All-Stars at Waialua not only provides after-school activities but out-of-school time as well. During finals week this semester, students who had completed all their assignments and successfully checked out for the break were able to come to the gym to hang out with our staff. This week, we had art and crafts, giant games, as well as various movies which played throughout the four days. As you can see, we definitely have some talented artists here.

2020-21 MONTHLY HIGHLIGHTS

Waialua All-Star students participated in our organization wide monthly service project, this month we focused on letters and ornaments which were given out to various senior living centers. We chose to give ours to The Plaza at Mililani.

2020-21 MONTHLY HIGHLIGHTS

No quarter would be complete without our quarterly Hō'ike, a time for everyone to get together and share laughs, even if it was virtually again. This time, All-Stars from Waialua had graham cracker house and ornament making contests. To our surprise, our students may just have what it takes to be real estate agents. During the show and tell portion of the graham cracker house competition, students “sold” us on their designs of their houses, the different amenities and even remembered the golden rule “location, location, location”.
