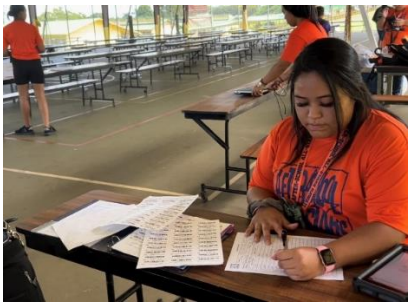
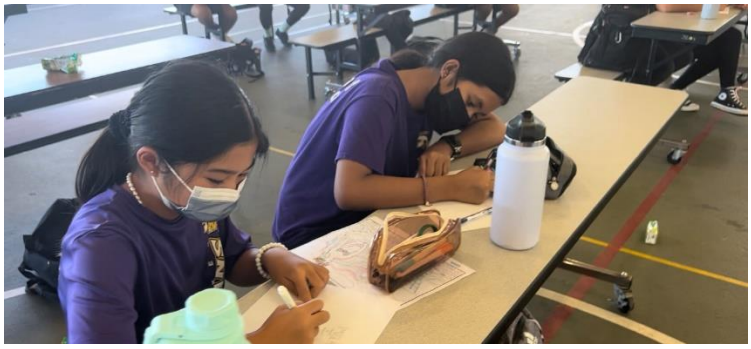
CLASSES

Students are always so excited to check into All-Stars and can't wait to talk to their favorite Program Leaders. Students line up, check in and get a snack before starting *homework hour*.



2022-23 Program Highlights

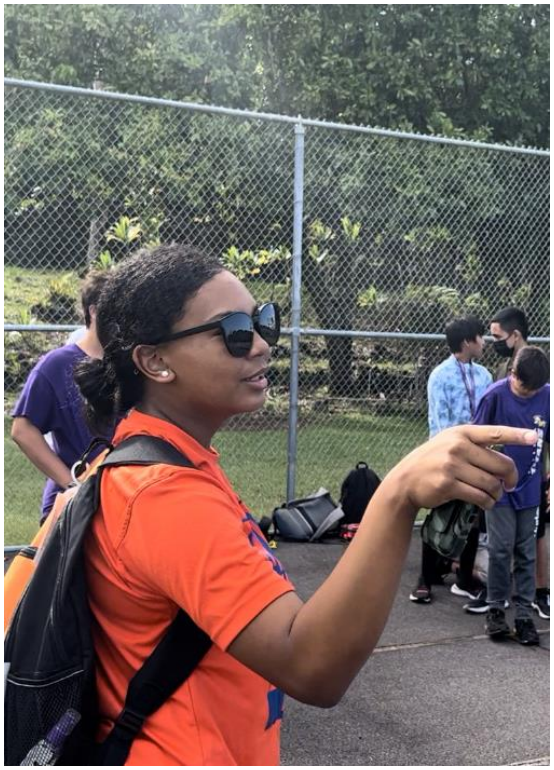
September 2022



Hawaiian Value of the Week is held every Wednesday. Students are taught a Hawaiian value, what it means, the Hawaiian proverb and are assigned a project to reflect on what they learned.

2022-23 Program Highlights

September 2022



Ms. Tati gets her students ready for the After-School All-Stars Athletics basketball league in her *Mix-It-Up Sports* class. Students learn different drills that help improve their dribbling including ball pounds and straight away dribbles, focusing on keeping their eyes up so they can read the defense.

2022-23 Program Highlights

September 2022

Ms. Kiare helps her students get into a routine by setting up warm ups and dynamic stretches in her *Basketball* class. Students learn how to run up and down the court, build their conditioning as well as learn to shoot and dribble.

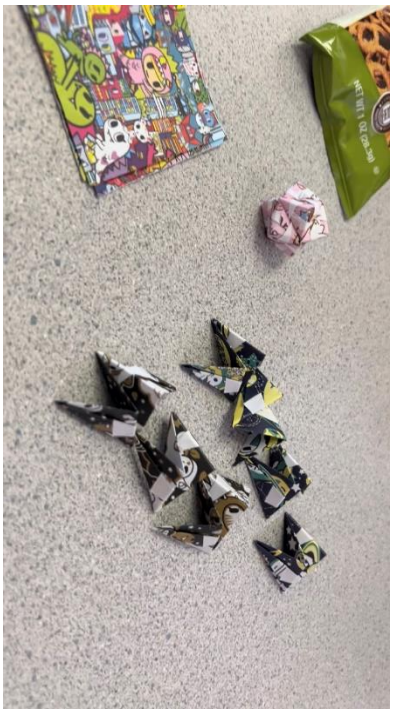
September 2022

2022-23 Program Highlights

September 2022



Arts and Crafts students have been learning how to make origami shapes and creating stories with them.

Students in *E-Games* are finding which games are the best to play against their classmates and strategies to win.

2022-23 Program Highlights

September 2022

Coach Bryant is getting his students in *Football* class ready for the After-School All-Stars Athletics football league which will take place in the 3rd Quarter. Students are learning how to run routes and catch the football by establishing routines with drills like easy verts, settle and noose, as well as catching drills.

2022-23 Program Highlights

September 2022

Volleyball Conditioning class continues to build off of its strong interest due to the After-School All-Stars Athletic league volleyball competition that's been happening in the 1st quarter. Mr. Eli teaches students how to serve, pass, and set for their weekend competitions.

2022-23 Program Highlights

September 2022

FIELD TRIPS

Students as well as parents enjoy the Saturday volleyball games which are a part of the *ASAL*. Students learn the meaning of working together as a team and overcoming adversity. Students also get to make friends from the other All-Star programs.

AFTER-SCHOOL ALL-STARS HAWAII
