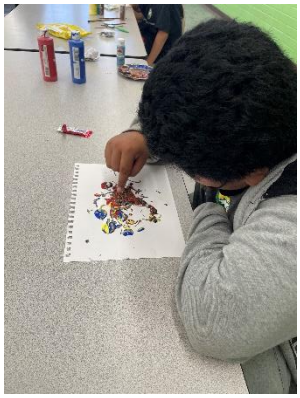
CLASSES



Painting classes have been a great way for students to get creative and express themselves. It has also served as a great space for the students to talk story.

Basketball class has been all gas, no brakes, as the students work on the fundamentals while also doing conditioning to get in shape and master the game.

2022-23 Program Highlights

November 2022

DIY class has been busy making jewelry; from necklaces to bracelets and rings. DIY class has helped teach the students the merit of focused, detailed work.

Archery class is taking it to new levels as they have focused on their accuracy through different games such as archery bingo and shooting balloons. The students are showing great improvement since the beginning of the quarter.

Focus, attention, poise, and the occasional cheering, is what makes Ultimate gamers fun, interactive and exciting.

2022-23 Program Highlights

November 2022

College and Pro Football may be coming to an end soon, but here at All-Stars we are just getting started! Students are working hard in practice to get ready for competition in the new quarter.

Hip-hop class continues to push to the end as the night of their performance approaches. Come to Hōʻike to see the results!

2022-23 Program Highlights

November 2022

The ASAL Basketball league started up this month, and the students are fired up to play and showcase their skills. Shout out to Waianae for hosting.

SPECIAL EVENTS/CURRICULUM

For one of our Hawaiian Values of the Week, we learned about the word Ho‘omau which means perseverance. We talked about different trials that we sometimes have to endure in order to achieve our goals. To help demonstrate this the students had a wall sit competition. The average time was more than five minutes. Proud of these students!

Students learned about concepts of tension, leverage, and work through team rope pulls.

SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

For our November LSA project, we did a food drive for Aloha Harvest. Youth Advisory Board members helped hand-out flyers around campus. Students that participated, had their names put in a raffle for a chance to win a gift card for Foodland. ASAS Hawaii collected over 600 cans to donate. Thanks to all those that participated and congrats to the winning student and family

STAFF TRAININGS

This month the All-Star staff attended the virtual, Open Minds, Open Spaces conference. Staff took part in a number of breakout sessions and had the opportunity to share information about their programs and experiences. From empowering students to entrepreneurship curriculum, ASAS staff learned so much that they can implement in their programs.

OTHER HIGHLIGHTS

Looking to the future, during lunchtime, we have activities to help promote and recruit for the program. Next quarter we have football, so we are looking for ballers!
