### CLASSES

In our baking class, the All-Star students love learning new cookie recipes and are getting really good at measuring and remembering baking steps.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Painting class made beautiful sculptures which they will paint and show off at Hoike. Our All-Stars love when they get to create pieces of artwork.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Batter up! The All-Stars have been practicing their batting skills to get ready for the softball league games coming up next quarter. The students are most excited for the season

## 2022-23 Program Highlights

# February 2023

### CLASSES

In our gamers class the students bring back pogs and Connect Four, learn new card games and practice their speed. And once in a while the students get a chance to wind down and play video games on the Wii.

## 2022-23 Program Highlights

# February 2023

### CLASSES

In our service learning class, students learned how to make their own stamps, using them on thank you notes to Jarrett teacher. The students were excited to show off their designs. They are also making a poster board for Ho'ike to show off their crafting skills.

## 2022-23 Program Highlights

# February 2023

### CLASSES

The All-Star football team get ready for Saturday's games by practicing correct form while doing different speed and throwing drills.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Our Mana Mele class has been most exciting for the month of February. Kumu Nakana and Kumu Ekolu teach our students different techniques on the ukulele and show different rhythmic beats.

## 2022-23 Program Highlights

# February 2023

### CLASSES

In our Jewelry class the students are making unique pieces to give away at Hoike. The students really enjoy making earrings, necklaces, bracelets and key chains.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Our All-Stars look forward to cooking class. The students learn new recipes each week such as: teriyaki meatballs, honey garlic chicken, butter cream pasta and beef curry.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Our Musical students have been rehearsing non-stop this month. They make sure to go full out when on stage.

## 2022-23 Program Highlights

### February 2023

#### CLASSES

Musical students practice costume changes and make sure to show emotions while practicing for their upcoming shows in April and May.

## 2022-23 Program Highlights

# February 2023

### CLASSES

Stage art class has been working very hard to put the final touches on their props for the different scenes in Frozen Jr. It's definitely hard work but seeing the end results brings them joy and accomplishment.

## 2022-23 Program Highlights

# February 2023

### FIELD TRIPS

The All-Stars students and staff had the amazing opportunity to attend the UH men's basketball game. They were super excited to cheer for Hawaii, get free T-shirts and refreshments and hangout with their friends.

## 2022-23 Program Highlights

# February 2023

### SPECIAL EVENTS/CURRICULUM

In our VentureLab class, the students are pairing up to research and come up with new jobs and are getting ready for their Career Fair which will follow. They also are designing their own business cards to go along with the jobs they come up with.

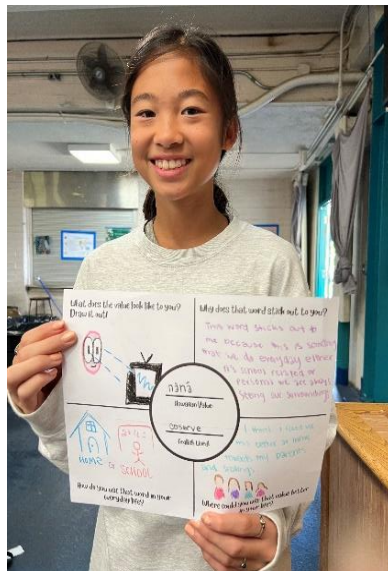

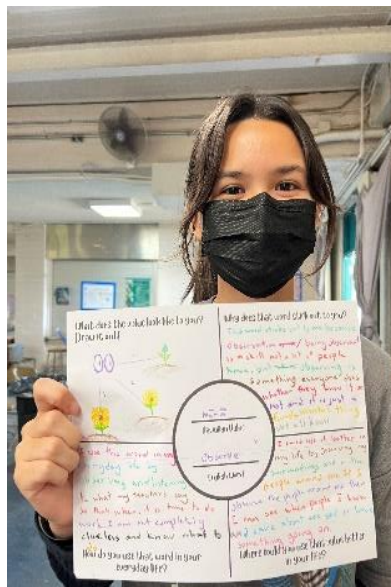

## 2022-23 Program Highlights

# February 2023

### STEM

All-Stars go over a Hawaiian Value of the Week. They learn different Hawaiian words, their meanings and complete projects and reflections to showcase what they have learned.

## 2022-23 Program Highlights

# February 2023

### OTHER HIGHLIGHTS

The Jarrett All-Stars look forward to all their Pylon Football League games. They work hard to gain a shot at a trophy.

## 2022-23 Program Highlights February 2023

### STAFF TRAININGS and GUEST SPEAKERS

Scott Mann of VentureLabs provides ASAS staff with innovative ideas and structured curriculum to help guide students through the Career Exploration (CEO) class

### YOUTH ADVISORY BOARD

Jarrett students interact with the other All Star YAB students on Zoom to discuss new ideas to help their community. They also introduce the Service learning projects to our program.
