CLASSES

Students learned shading and shadow techniques in *Anime* class. By experimenting with the shadows created when light hits an object at different angles, students practiced how to elongate objects or to add depth by using darker/lighter shade transitions.

2022-23 Program Highlights

March 2023

CLASSES

Mahalo to our *DIY* class who dedicated hours to craft beaded and corded bracelets for our incoming Grade 6 students.

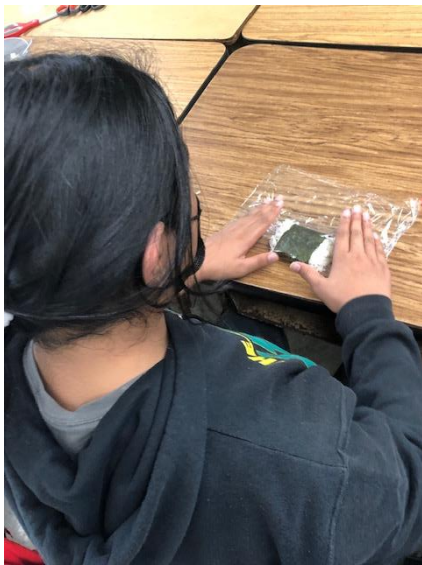

Students reflected on their experiences and the emotions they felt when they became middle school students. Pledging to be a friend, current All-Stars will help students transition by showing them around school, highlighting the classes to take, and being a positive influence.

March 2023

CLASSES

Kea'au All-Star chefs LOVE musubis! After learning proper food handling and sanitation techniques, kitchen safety rules, and daily class routines, students were excited to cook their first meal.

Teriyaki marinated SPAM was simmered to perfection before being layered on top of rice and wrapped in nori. The secret to soften nori is to wrap the musubi in plastic wrap and let it sit for a few minutes.

2022-23 Program Highlights

March 2023

CLASSES

Multi-Sports class with Coach Neth focuses on introducing and developing skills that students are interested in. From lateral jumps to hitting softballs- student confidence in participating in group sports has increased.

Students who have never played sports look forward to trying something new daily.

2022-23 Program Highlights

March 2023

CLASSES

All-Star athletes are having fun practicing wide receiver drills. Coach Curtis tests the memory of his *Pylon Conditioning* class as he calls out different combination routes to each athlete.

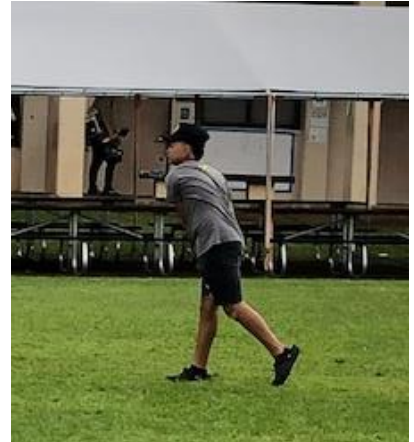

The speed and coordination of these students are incredible.

2022-23 Program Highlights

March 2023

CLASSES

Athletes in *Softball* class focused on three primary fielding drills: scooping, pop-ups and throwing.

Ms. Mika encouraged her students to remain alert when in the field. Quick reflexes and movement are essential to getting the ball in-field.

2022-23 Program Highlights

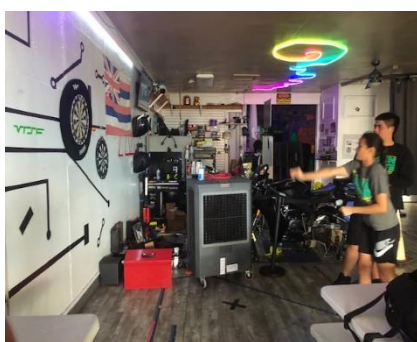

March 2023

FIELD TRIP

Hawaii Island Youth Advisory Board members had fun at Big Island Rock Climbing.

Yabbies developed team building skills as they encouraged each other to reach the top of each wall.

All-Stars had a blast at Hilo Laser Tag. Students teamed up to challenge each other in team games, darts and virtual reality games as a part of their Q3 Incentive Field Trip.

March 2023

SPECIAL EVENTS/CURRICULUM

Kea'au All-Stars demonstrated their commitment, dedication and enthusiasm by showing up for practice and attending scheduled games. The team has rallied together throughout the quarter, picking each other up and working through tough situations. We can't wait for next season. Go GreenWaves!

2022-23 Program Highlights

March 2023

HO'IKE

Students celebrated the end of Quarter 3 and the end of Makahiki season with traditional Makahiki games.

Grade levels competed against each other in kukini (foot races), uma (arm wrestling), and huki huki (tug of war).

Students who exhibited All-Star qualities received awards from Program Leaders. For her positivity, her willingness to always help out, and for regularly attending program one student received a Nintendo Switch.
