## 2022-23 Program Highlights

### March 2023

#### FIELD TRIPS

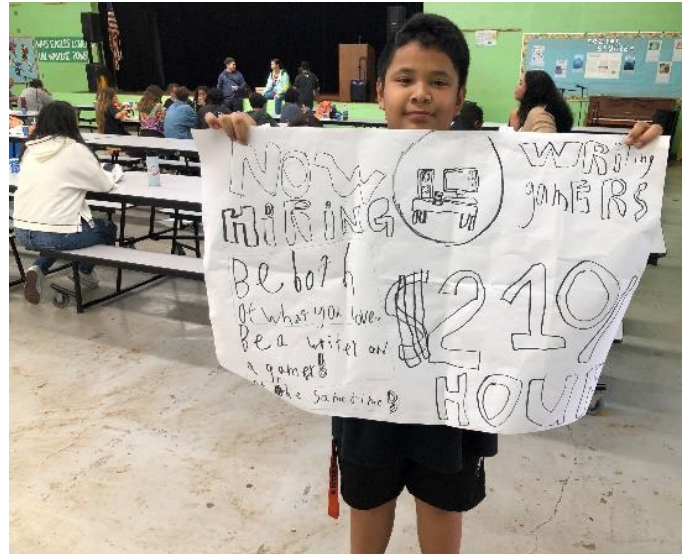

Students had the opportunity to go to Kualoa Ranch where they got to work a lo'i , do some mounding and take a hike, all while learning about the history of the land and Hawaiian practices.

## 2022-23 Program Highlights

### March 2023

#### SPECIAL EVENTS/CURRICULUM

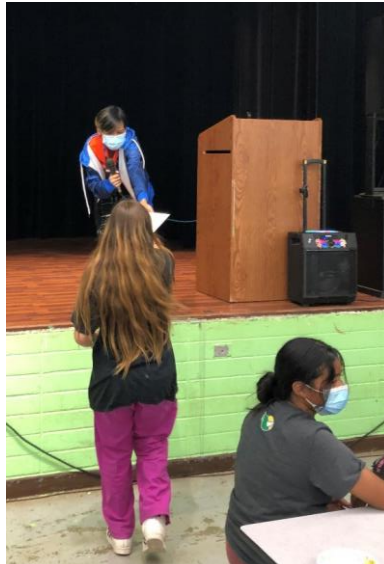

Students from our CEO class had the opportunity to present their careers at our reverse career fair during our quarter 3 Ho'ike. They did a great job!

## 2022-23 Program Highlights

### March 2023

Our Quarter 3 Ho'ike was a huge success. Students were able to showcase their work over the last quarter, as well as enjoy a night of celebration and activities with family and friends.

## 2022-23 Program Highlights

### March 2023

Our 8<sup>th</sup> Grade students started their We Are Ready curriculum to provide them with valuable skills as they prepare to transition to high school.

All-Stars offers a variety of art related classes, and this quarter is no different. We have started an origami class and students are loving the skills they are learning.

## 2022-23 Program Highlights

### March 2023

#### YOUTH ADVISORY BOARD

The YABs got to go rock climbing, for most it was their first time trying this sports. They had to overcome a few nerves, but they were soon enjoying their new skills.

## 2022-23 Program Highlights

# March 2023

### SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

For this month's LSA project, students are making bracelets for the incoming 6<sup>th</sup> graders, to make sure the incoming students know they have a friend at After-School All-Stars.

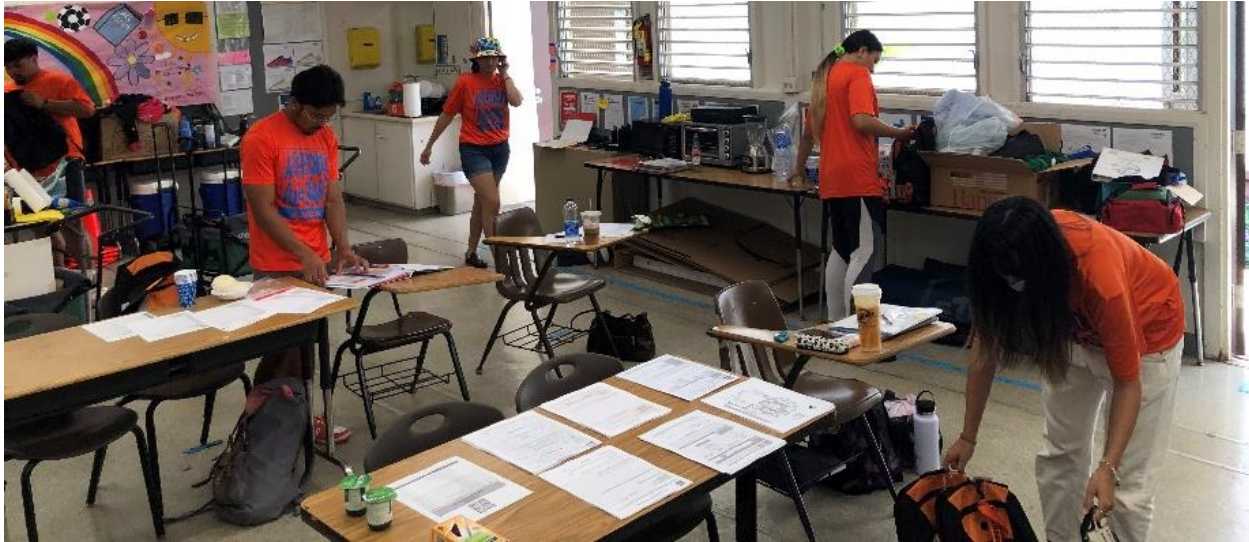

For our Hawaiian Value of lawelawe, service, students went around to pick trash around campus.

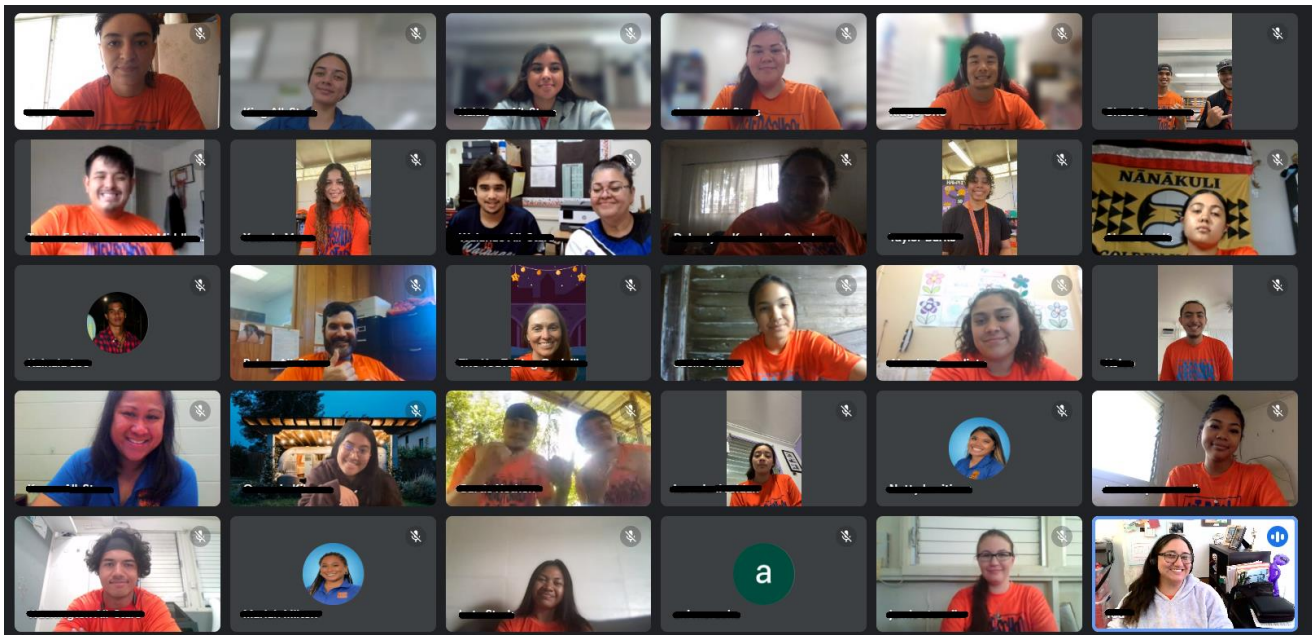

## 2022-23 Program Highlights

### March 2023

#### STAFF TRAININGS

Staff came together over Spring Break to get ready for the new quarter and discuss ways to make program even better for the students.

In preparation to deliver the We Are Ready Curriculum to 8<sup>th</sup> grade students, to help them prepare for transition to High School, Program Leaders and Site Coordinators take part in some curriculum specific training.

## 2022-23 Program Highlights

# March 2023

### STEM

Students learned about the importance of momentum, tension, and leverage while also learning about the Hawaiian Value of Ho'ā'o, effort.
