### CLASSES

Musical dance class has perfected their choreography to prepare for their main public shows. Cleaning up their arms, legs, formations and lifts were very crucial this month.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

The stage art class added final touches to all props and costumes for the main shows. They also decorated the cafeteria for the elementary show.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

Kulia All-Stars put on a big show for the elementary kids. Students from Aliiolani, Hokulani, and Palolo Elementary came to watch and cheer us on. They had a Q and A with the cast and crew and got to meet their favorite characters in person. It was definitely a day to remember.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

In soccer, students take the time to learn and review the basics before applying their skills in scrimmages. In this class the students learn how to have a balance between having fun and competing with one another.

Pickleball was introduced for us this quarter and it's a lot of fun. Ms. Dio has been teaching us the basics of pickleball such as: hitting and serving within the boundaries, earning the boundaries and the double bounce rule. Students also get the chance to compete in mini scrimmages against their classmates to test their skills.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

Archery is a very serious sport and our students love learning. Mr. Ridge has been teaching his students how to persevere as well as stay determined and precise when shooting. The class always begins with a review of the 11 Steps of Archery to ensure the safety of our students. The rest of the quarter is spent honing their skills founded in the concepts of accuracy, focus, and self-appreciation.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

In Mr. Tayler's baking class, the students are learning how to take simple recipes such as typical box cake mix and turning them into cookies. The students are learning how to follow the recipe steps and even improvise to put a twist on their own creations.

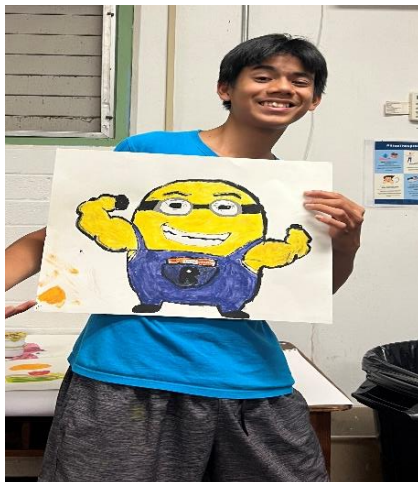

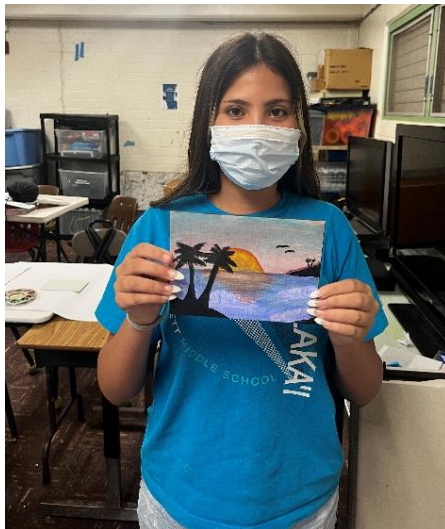

## 2022-23 Program Highlights

### April 2023

#### CLASSES

In our painting class students have finished their scenery paintings. which they will be showing off at hoike.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

One of the greatest goals in Mana Mele is that the students become musical autonomous which means learning to create their own music. The students have expanded their musical knowledge from music that they hear to the applications of how they create instrumental textures and renditions of tunes.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

In our Fencing class Ms. Ari, with the assistance of Mr. Ridge have been teaching our students basic Fencing skills such as: the rules for bouts, proper form (such as footwork and blade work), French fencing vocabulary and conducting themselves with pride and confidence while fencing.

## 2022-23 Program Highlights

### April 2023

#### CLASSES

This month in cooking class, we were continuing the Kids Cooking Local program in partnership with the Hawaii Agricultural Foundation. The students have enjoyed making healthy and delicious meals in class while also making it at home with their families.

## 2022-23 Program Highlights

# April 2023

### CLASSES

Batter up! It's softball season. Mr. David has been helping our All-Stars fine tune their swings and sharpen their defense for upcoming games.

## 2022-23 Program Highlights

# April 2023

### GUEST SPEAKER

Former Jarrett All-Star students who are now at Kalani HS, came to speak to our All-Star students about global warming and climate changes and how it effects our planet. Together they hope to build a greenhouse at Jarrett Middle school.

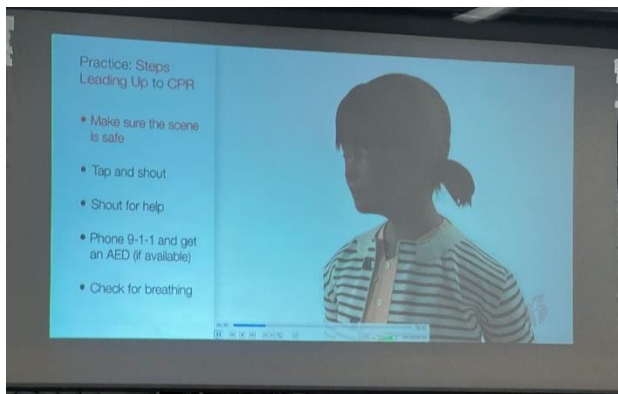

## 2022-23 Program Highlights

### April 2023

#### SPECIAL EVENTS/CURRICULUM

For the month of April our All-Stars took the time to learn how to do hands only CPR, learned how to identify a person who is choking, how to use an AED and what to do if you find someone unconscious. They watched an instructional video and practiced hands only CPR on the provided mannequins. The students were most excited to have the opportunity to know how to save a life.

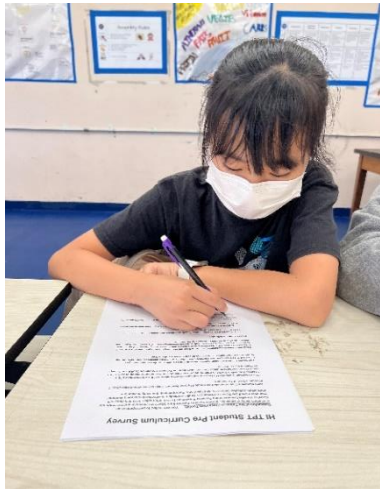

## 2022-23 Program Highlights

### April 2023

#### SPECIAL EVENTS/CURRICULUM

All-Stars is currently learning about the dangers of nicotine and the impact drugs have on our everyday and long-term lives. Mr. Ridge is helping our All-Stars make better choices in their lives through a three-day lecture course, explaining the detrimental effects of nicotine and vaping products and their addictive chemicals. They are also making posters to hang around school to show the effects of vaping.

# April 2023

### SPECIAL EVENTS/CURRICULUM

Mr. Ridge is rolling out the We Are Ready curriculum for our 8<sup>th</sup> graders. Every year All-Stars helps our 8<sup>th</sup> graders get ready for their journey into high school and prepares them for college. They learn about a plethora of methods to maintain success, such as: time management, learning styles and communicative skills. Students understand that it is okay to be nervous, but not unprepared.

YOUTH ADVISORY BOARD

The Yabbies got together this month to talk about the different things they see in their everyday lives that is effecting the earth. They made a video expressing what they saw and what changes they would like to see 30 years from now.

**YOUTH ADVISORY BOARD**

For Earth Day the All-Star Yabbies and their friends got together at Waimanalo beach park to clean up the beach, helping to remove 2,700lbs of micro plastic and other debris. They worked hard but got to play some beach volleyball to have some fun also.

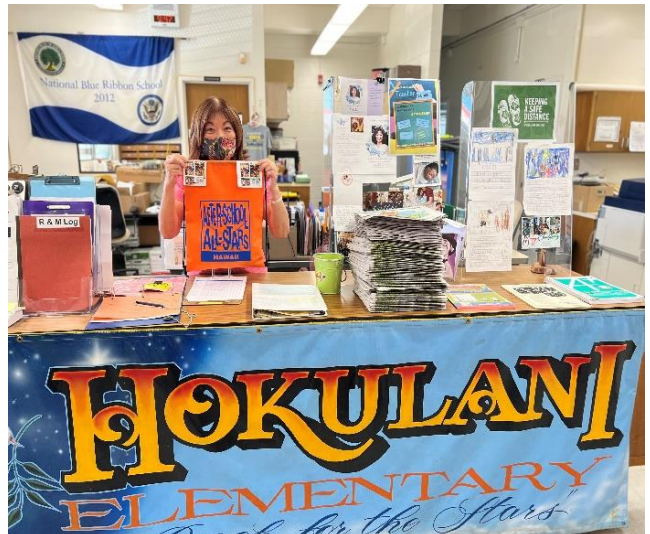

## 2022-23 Program Highlights

### April 2023

#### SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

The Yabbies and their friends in Kulia put together their bracelets on a small card holder with information on how to register for the free summer program which was brought to Ali'iolani, HokuLani and Palolo Elementary. They were so excited to receive our students' gifts.

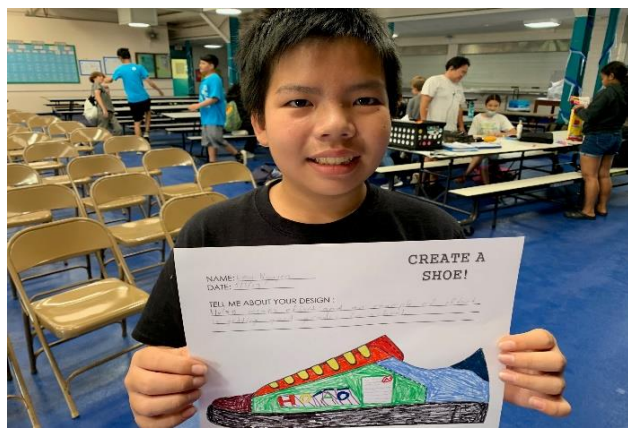

## 2022-23 Program Highlights

### April 2023

#### HAWAIIAN VALUE OF THE WEEK

In our hVOW sessions, our students learn Hawaiian values. They learned words like: Kahua (Foundation), Ho'ohana (Purposeful work) and Ho'ā'o (Effort). They learned team building games that helped them listen and work together, built unique towers that hold weight, and expressed themselves through drawings to show they understand what the word means.

## 2022-23 Program Highlights

### April 2023

#### OTHER HIGHLIGHTS

Kulia All-Stars production of Frozen Jr had their first public musical performance. Students were so nervous but they did such a good job and everyone loved it!

## 2022-23 Program Highlights

# April 2023

### OTHER HIGHLIGHTS

The All-Star softball league is in full effect. The All-Stars held games at Sand Island park and Central Oahu Regional park. We are wishing all the All-Stars schools' good luck and Jarret is hoping their hard works pay off and they can possibly win one for the team.

## 2022-23 Program Highlights

### April 2023

#### OTHER HIGHLIGHTS

Ms. Jojo had the opportunity to join other ASAS Site Coordinators at the OST showcase in Oahu where organizations share what they have been working on all year and are given the chance to collaborate and connect. Our fellow All-Stars Program from Waialua High and Intermediate entertained us all with their  
Lion Dance
