#### CLASSES

In cooking class our students learned how to make some dinner foods such as meatloaf, chili and vegetable soup. They also had the chance to whip up some unique dishes which they came up by themselves.

**CLASSES**

In our final quarter of archery, we demonstrate our acquired skills in friendly, but competitive tournaments. Students both gain a healthy competitive spirit as well as a sense of perseverance during this time.

**CLASSES**

In Design class, the All-Stars were so excited to be able to design one of a kind beautiful tote bags and paintings which they could keep or give away to family or friends as gifts. Kulia students are so talented!

**CLASSES**

In Fencing class, Ms. Ari continues to work with our All-Stars by helping them learn their cues and perfect their stances. They are also learning how to anticipate their opponents moves.

**CLASSES**

For the month of May, our Hip-Hop class got ready for their performance at Ho'ike. They practiced their cartwheels and learned to hype each other up on the dance floor.

**CLASSES**

The musical cast and crew have been doing their very best and had their main public shows this month. Parent volunteers and even students from the original Frozen musical came to help with hair and makeup.

**CLASSES**

The main public shows for Frozen Jr were amazing! Politicians from the community, teachers, and even the DOE Superintendent came to watch the show.
