Brain Games

Ms. Kaliyah's *Brain Games* class finds different ways to work the All-Stars' brains. From building domes to playing games, these students accept any challenge given to them.

Cooking

The heat in Ms. Ting's incredibly popular *Cooking* class does not keep the students out of the kitchen. These students can take the heat in this All-Star kitchen.

Creative Art

The All-Stars in *Creative Arts* have so many creative ideas in their minds and they find ways to bring them to life with Ms. Ting. From Jewelry Making to Sculpting, these students have shown their creative side.

Softball

All-Star and GreenWave Pride can be found in Ms. Mika's *Softball* class. These students gave their best effort in every class and became a strong and supportive team. They not only learned the rules of the game, but how important it is to be a part of a team.

Volleyball

Volleyball with Ms. Davelyn have taken their game to the next level. The students learned the important elements of volleyball which include: serving, volleying and bumping. These All-Stars are prepared to dominate in volleyball scrimmage games.

Volcano National Park – Quarter 4 Incentive Field Trip

The All-Stars of Keaau Middle School not only enjoyed a fun day at Volcano National Park, but they also got to spend the day with the All-Stars from Waiakea and Pahoa Intermediate Schools. They explored and learned about the National Park in their backyard while make connections with other All-Stars.

Awards

All our students shine like stars and we like to show them we see them shining all year. Whether we award them for sports, enrichment or just for giving their best effort, we want all our All-Stars to know how brightly they shine.

ASAL

The ASAL Softball League had their championship game in May and although Keaau did not come in first, these All-Stars played like champions and showed great sportsmanship on and off the field.
