VALUE OF THE WEEK

Hawaiian Value of the Week provides our students and staff an opportunity to explore Social Emotional Learning in a safe and fun environment. Utilizing Hawaiian words, we produce art work and conduct group discussions to further our knowledge and become more supportive and understanding

CLASSES- VOLLEYBALL

Kalākaua loves volleyball! One of our most popular activities this summer was packed with players daily. Whether the net is up or we are in a circle, the students always ask to play with the volleyballs. Mahalo to Mr Eli and Ms. Kahea for coaching our participants and keeping them engaged and excited.

CLASSES-SINGING

Ms. Destiny's singing class brought fun and positive vibes to our program this summer. Participants were able to sing along with some of their favorite songs, using their phones to sing the song lyrics. There was some very good talent in the class, and hopefully, we can see them shine brightly on stage in the future.

CLASSES- SOCCER

Soccer took off in a big way this summer. Ms. Kahea ran constant drills with her team, working on passing, dribbling and defending the goal. We look forward to the Fall season to continue the momentum we built with our participants at Kalākaua.

CLASSES- BAKING

Another popular class this summer was the No-Bake baking class. Students made all types of delicious dishes under the guidance of Ms. Destiny and Ms. Kahea. Of course, the reward for your work is the ability to dine on your creations. Yum!

MAKAPUU LIGHTHOUSE HIKE

Our first excursion this summer saw our program journey to the Makapu'u Lighthouse. The sun could not deter our students from getting to the top. They also got to learn about various landmarks and Hawaiian stories about the area as well. Everyone rose to the challenge.

KROC CENTER

Our second excursion took us to the Kroc Center for some fun in the water. The students all claim that this trip was one of the best things they did. Slides, lazy river and a deep pool were all favorites. And some lunch as well.

REGAL THEATERS-SPIDERMAN

Excursion #3 had our program venture out to Pearl Highlands Regal Theater to Watch Spiderman: Across the Spiderverse. The students not only got to watch an amazing movie, but they each scored a snack pack with popcorn, a fruit snack and a drink. We also got to watch the movie with all of our friends from other ASAS schools, so there was lots of laughter and excitement at the theater.

AIEA BOWL-HYPER BOWLING

Another favorite of the students was our fourth excursion to Aiea Bowl. The students were able to try out the brand new Hyper Bowl game, which actually encourages players to try and hit the bumpers on the side of the lanes to score more points. We have to thank Mr. Cy Shimabukuro and his team at Aiea Bowl for helping us make this event memorable.

KALIHI WALKING EXCURSION

Our program also decided to go on a walking excursion through the Kalihi neighborhood. We visited several well-known establishments like

Nanding Bakery and Gulick Delicatessen. We also went shopping at Hmart, Times and Longs for Hō'ike supplies. We ended the day at Peter Buck park to play and relax before the final push to school.

SUMMER HŌ'IKE

We celebrated our summer program with our Summer BBQ Hō'ike with family and friends. There was so much to do. We grilled hamburgers and hot dogs and everyone got to make their own ice cream. We also were able to make boba drinks for everyone to savor. The best part was the prize giveaway which included gifts that represented all of the classes that we conducted during program. We want to thank our Principal Mr. Grindell and the the whole Kalākaua staff for their Aloha and support this summer. We also want to thank our parents for their love and Aloha that they showed us. Everyone had a blast, and certainly filled up on some good food. Mahalo to all!
