### CAMP READY

Throughout the school year, the 8<sup>th</sup> graders have been prepping their college readiness for CampReady. Students stayed at UH Manoa in the dorms and got to live the college life. Students went on tours of the various department and make new friends.

# JULY 2023

Tours, workshops, guests speakers and projects were some of the highlights of our college readiness experience. We also were able to have a good time with activities like singing, dancing, movies and eating at the all you can eat Hale Aloha cafeteria right in the middle of the dorm section of UH Manoa Campus.

# JULY 2023

Our students made new connections and had a blast while doing so. All from different schools, different areas of the islands, but so close within the few days spent with each other. We want to send a Huge Mahalo to Ms. Tosa and the ASAS Program team for all of their hard work in putting this experience together for all of our students. We can't wait to see the students shine in the future!

### PACKET PICKUP DAY

Our Kalākaua ASAS team participated at the Packet Pickup event on Friday July 28, and Monday, July 31. Our team distributed new Registration Forms to prospective families. Every Family that turned in a completed form got a brand new backpack with new school supplies, courtesy of Senator Glenn Wakai. Everyone had a lot of fun!

### STAFF TRAINING- SC RETREAT

Our ASAS Site Coordinators spent three impactful days at our Annual Retreat. The event was filled with workshops, guest speakers and lots of group work designed to deepen the knowledge of our team, and improve each individuals' skills. Our team built stronger bonds while progressing through the event.

### STAFF TRAINING- LO'I SERVICE PROJECT

ASAS Site Coordinators also took the time to conduct a service project during the Retreat. The team went to Ka Papa Lo'i o Kānewai. We pulled invasive species from the Lo'i learned about the importance of water, while connecting with the staff at the learning center. It was good hard work, and very fulfilling.
