### CLASSES

During the first week of Mix-It-Up Sports class, students work on their volleyball skills such as bumping, passing and spiking.

Get moving, go outside, and have FUN!

## 2023-24 Program Highlights

# August 2023

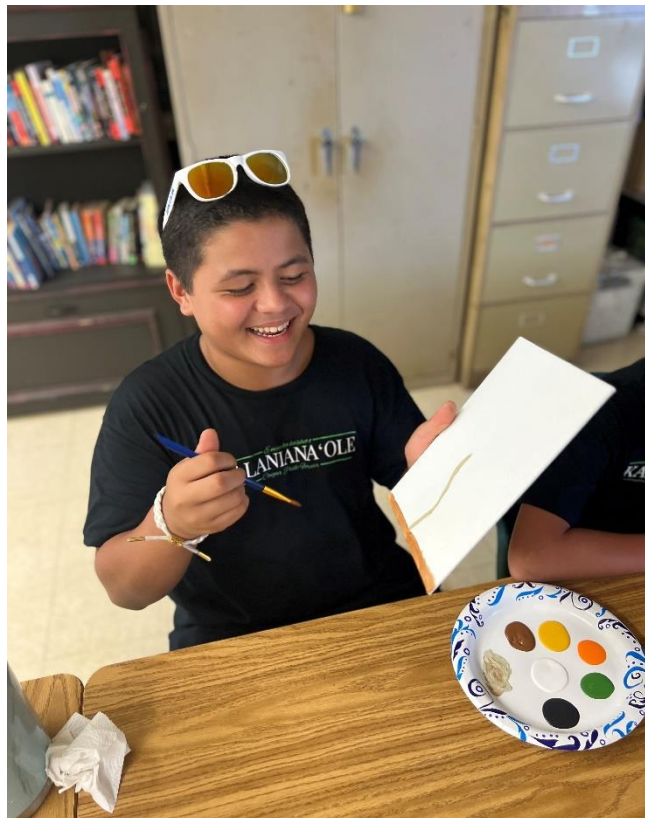

Green Thumb Gardening working hard harvesting turmeric and enjoying the fruits of their labor in our well-loved garden.

## 2023-24 Program Highlights August 2023

Mix Media Art Class practicing their Van Gogh flowers and expanding their artistic capabilities.

## 2023-24 Program Highlights August 2023

Our Culinary Arts class working hard making homemade lemonade with fresh sugarcane and lemons picked from our very own garden. Our students are very focused on developing their skills in the kitchen and life. Learning how to cook and care for ourselves is fun and rewarding.

## 2023-24 Program Highlights

# August 2023

Our DIY (Do-It-Yourself) class working together to put together brand-new bookshelves for our classroom. Learning how to use tools sets us up for independence and success.

Our classroom is better when we work together.

# August 2023

### SPECIAL EVENTS/CURRICULUM

Fun ice breakers during our first week of After-School All-Stars. Teams working together to create fun and fast costumes out of paper. Can you guess what we are? Our students are so creative and innovative. Catch our upcoming trash fashion show!

SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

Our incredible All Stars showing off their artistic talents making “Mahalo Cards”. They worked hard showing their appreciation for the program and the supplies available to them. This is their new club and they love it.

STEM

Science, Technology, Engineering, and Math (STEM), is all about learning how our world works. And teamwork makes the dream work when we get together to figure out how to run a sugarcane press and power tools.

Our students are, handy, capable, and ready with ideas.

## 2023-24 Program Highlights

# August 2023

### OTHER HIGHLIGHTS

Kalaniana'ole All-Stars making amazing jump shots and shooting for the stars. When our students believe in themselves they can do anything.

Defying gravity and pushing themselves to be better and better.

### STAFF TRAININGS

The All-Stars Staff held a Vape prevention curriculum training, which was hosted by Ms. Tosa. We were given the tools, talking points and slide shows to make it easier for us to teach our All-Stars.
