### CLASSES

Ms. Bria's Green-Thumb Gardening class is breathing life into the Kalaniana'ole's All-Star garden. It's so important to love and respect our 'aina and it will love us back.

Look at those papayas and happy smiling faces. Our All-Stars can't wait for their upcoming pineapple and turmeric harvest.

Herbs, new pineapples and fresh papaya, Oh My!

Great job All-Stars and all the hard work you've put into working the land. We can't wait to start using more ingredients fresh from the garden in our Master Chef Jr. class.

Volleyball prep is hard work but fun.

This is Kalaniana'ole's first year competing against the other schools in the All-Stars 'ohana. They are holding their own and having a great time.

Coach Joe has been very helpful and inspiring. It's all about running those drills and building up those skills.

The Master Chef Jr. class is so fancy this quarter. Students made caprese salad and fruit and cake skewers. Healthy but quick and easy. And we always make extra for our hard-working bus drivers and kind custodians.

We can't wait to eventually have an All-Star's Master Chef Jr. competition. GET READY CHEFS!

## 2023-24 Program Highlights September 2023

Our All-Stars take pride in running their own classes, with supervision and safety, of course.

We've had fun smoothie days, ham & cheese pinwheels with homemade ranch, and midnight pasta. Onolicious!

## 2023-24 Program Highlights September 2023

We have tons of variety in our Mixed Sports class. Badminton, archery, and basketball, just to name a few!

Our Kalaniana'ole All Stars are always ready to dive in and try something new/

What other sports can we add to the roster?

### FIELD TRIPS

Our incentive field trips were mainly sports centered this quarter, and what a blast they were. We are incredibly proud of our Kalaniana'ole All-Stars and all their hard work and training to prep for our volleyball tournaments.

Cheer is coming up for Quarter 2, but our All-Stars are already ready!

Hard work and practice sure paid off. The Kalaniana'ole Cougar All-Stars were incredibly competitive and worked as a team.

They got second place and it's only their first year. Let's hear it for these fierce All-Star **COUGARS!**

### SPECIAL EVENTS/CURRICULUM

Our 1<sup>st</sup> HOIKE was AWESOME.

Art projects to show off, E-Sports, snacks, and just a good time to be had by all.

Thanks to our amazing All-Stars, family, friends, and staff for making it a great night.

### STEM

STEM is fun and fascinating! Our All-Stars, through science and engineering, figured out how to make homemade Sprite. Exact measurements were needed for proper ratios of fresh lemons, club soda and molten hot sugar syrup...YIKES! And the results?  
**YUM!**

### YOUTH ADVISORY BOARD

Youth Advisory Board students are highlighted during their virtual meetings. Students enjoyed meeting each other during orientation, playing games, sharing ideas and being a part of a group that helps to make All-Stars a great place to be. Students discuss the upcoming service projects they will be leading each meeting. Great work YABBIES.
