CLASSES

Cooking class got creative and made their own recipes this month. The class favorite was their spin on the Samoan dessert, Pani Popo, using Hawaiian sweet rolls and coconut milk.

In Kanaka Krew, students practiced their routines for Hoike. Kumu Imai has helped the students develop their confidence to be able to perform for friends and families. We can't wait to see them perform.

CLASSES

Volleyball students have been practicing and playing hard which has resulted in them being undefeated all season. Our student athletes have to attend weekly practices, maintain a 2.0 with no F's and no behavior referrals to be able to be on the ASAL team. Next time you see one of our student athletes around campus, be sure to congratulate them on their hard work.

LIFE SERVICE ACTION/HAWAIIAN VALUE

September's LSA project was to honor firefighters and all the work they do to keep our island safe. Students created a firetruck and thank you cards they will be giving to the firefighters during their visit next month.

For *Hawaiian Value*, we focused on 'ohana and the importance of having an 'ohana in your life. We spoke about the 'ohana we're born with and your selected 'ohana. We also spoke about the ASAS 'ohana and what we mean to each other.
