CLASSES

Kalākaua's basketball class worked hard this month with Coach Emily and Coach Isa. Their favorite part of the week is scrimmaging against the Kalākaua Middle School Girl's Basketball Team. The team also learned a lesson on true All-Star sportmanship at the ASAL championship basketball tournament when only one Kalākaua player could attend. Ke'elikōlani Middle School stepped up and invited the player to join their team for the day. Thank you for being great All-Stars, Ke'elikōlani!

Kalākaua's choir and ukulele classes had the audience on their feet with their outstanding performance at our Holiday Hō'ike. They celebrated their hard work and successful performance with pizza, cake, and hand-made awards from Mr. Alex. We are so proud of our All-Star Super-Stars!

Classes

Sculpting class with Ms. Destiny has brought true imagination to life with modeling clay, construction paper, and pipe cleaners. From little mushrooms, to detailed characters, the Kalākaua All-Star artists never cease to amaze us with their creativity and talent.

ADVISORY BOARD

Thank you Vice Principal Patalinghog, Mrs. Chock, Mrs. Chung, Mrs. Jaso, Noa, and our students for attending our Semester 1 Advisory Board meeting. We discussed how the Kalākaua ASAS program can increase engagement with school staff, families, and our Kalihi community. Our conversation overflowed with ideas and will help grow our program.

FIELD TRIPS

Kalākaua's Youth Advisory Board became detectives at the scaventour incentive field trip. YAB's from across the island made up a team that worked together to decode clues using monuments around Waikiki.

They quickly became friends and showed off the skills that make them great Yabbies.

Holiday Hō'ike

Kalākaua All-Stars had a blast at our Quarter 3 Holiday Hō'ike. Students and their families enjoyed potato soup made by Ms. Destiny's cooking class and hot cocoa and eggnog with a topping bar made by Ms. Manda's Juice Jam class. The stars of the night were the students in Mr. Alex's choir and ukulele classes that performed classic holiday songs. We finished the fun with a ginger bread house decorating contest. We had a blast celebrating our students hard work in Quarter 3.

SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

Kalākaua students focused on the reason for the season by making cards to our community's kupuna for December's LSA project. Our Youth Advisory Board lead the project and helped students create colorful cards with positive messages so our kupuna know they aren't alone this holiday season.

This month Ms. Sophie stopped by our local Foodland Grocery store to drop off chocolate roses and thank you cards made by Kalākaua ASAS students for the November LSA project. YAB's decided on this project for November to thank our grocery store workers for working hard to keep grocery stores running during the holiday season.
