Teaching our students about all the hard work that goes into keeping their school clean and working is an important part of Nanakuli All-Stars. We created Thank You notes for cafeteria and custodial staff, to express our gratitude for all their hard work.

STEM

In a race against the other tables, these Nanakuli All-Stars tried to be fastest at stacking all their cups using only pieces of string attached to a rubber band. They had to learn the right way to pull the string and work together as a team.
