FLAG FOOTBALL

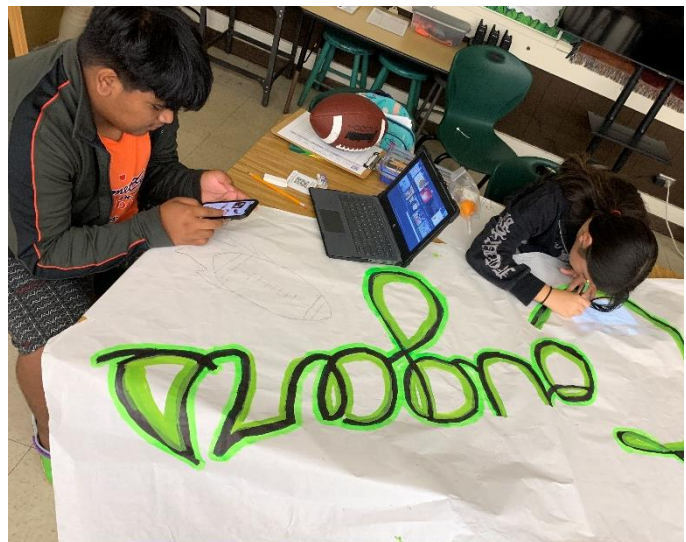

Q3 Flag Football Season was a blast!

Up until the last moment our All-Stars were super dedicated to their practice. We are very proud of our Kalaniana'ole Cougars and their improvement throughout the season. Every game we got better and better. Our students are absolutely fired up for next quarter and we can't wait to see how they do on the softball field.

Awesome job Cougar All-Stars!

CHEERLEADING

Our Cougar Cheer squad was hard at work making sure our championship banner was festive and looking good. They even pulled in reinforcements during program to get it all done on time. Great team spirit All- Stars!

ARTS & CRAFTS

Arts and Crafts class was a big help with our Q3 Hoike decorations and lending a hand with the championship banner.

MIXED SPORTS

Mixed Sports is a tried and true favorite. Our All-Stars are always excited to try something new. From Badminton to Basketball, it's all fun to our All-Stars.

No matter how our students are feeling at the end of the day, Mixed Sports is an awesome way to work out any stress and really have a fun time with friends.

CULINARY ARTS

Never a dull moment in Culinary Arts. Everyday a new technique and a new recipe. Here our All-Star chefs are working on their chopping skills and adding yummy fresh veggies to ramen. Great job All-Stars!

Our After-School All-Star Flag Football Championship game was so much fun. We were able to play on the Hilo Bayfront fields, which was such a treat.

All four of our Big Island schools joined in, and what an event it was. Our Kalaniana'ole Cougars played hard and had so much fun.

Congratulations to our champions the Waiakea Titans and all of our Big Island All-Stars.

YOUTH ADVISORY BOARD

The monthly YAB meetings are always so much fun. Our Kalaniana'ole YABs look forward to catching up with all the other YABs in All-Stars. This month we shared why we should represent All-Stars as the best YABs in the state. Great job Yabbies!

SERVICE LEARNING PROJECT – LIFE SERVICE ACTION

Our LSA project this month was a special one. We love our school and it's important to keep it clean. Our After-School All-Stars are committed to taking care of their campus.

Our school clean up day is just one way to show we care about our school and the 'aina.

STEM

Can candy making be STEM? It absolutely can! And how yummy science can be. Did you know that chocolate melts at body temperature and that melted sugar needs a quick hand and an even quicker eye? Way to go All-Star chefs and scientists!

OTHER HIGHLIGHTS

Did you make it to our quarter 3 Hoike? It was a blast.

Great turn out, yummy food, fun games and family time.

Our All-Stars worked hard to get the classroom looking great. Cleaning, decorating, and our Sprout's class prepped the sauerkraut that was the perfect topping to grilled hot dogs.

See you next Hoike.
