### CLASSES

*Volleyball Class* students work on setting, serving, bumping and receiving. Volleyball is a favorite in Pāhoa and it is the goal of After-School All-Stars to teach students the fundamentals that will help them play in high school as well.

*Cooking Class* students had a great time making gourmet grilled cheese sandwiches. The students voted for the selection and had a variety of bread and cheese. Brioche bread and Colby Jack Cheese was the favorite. Scrumptious!

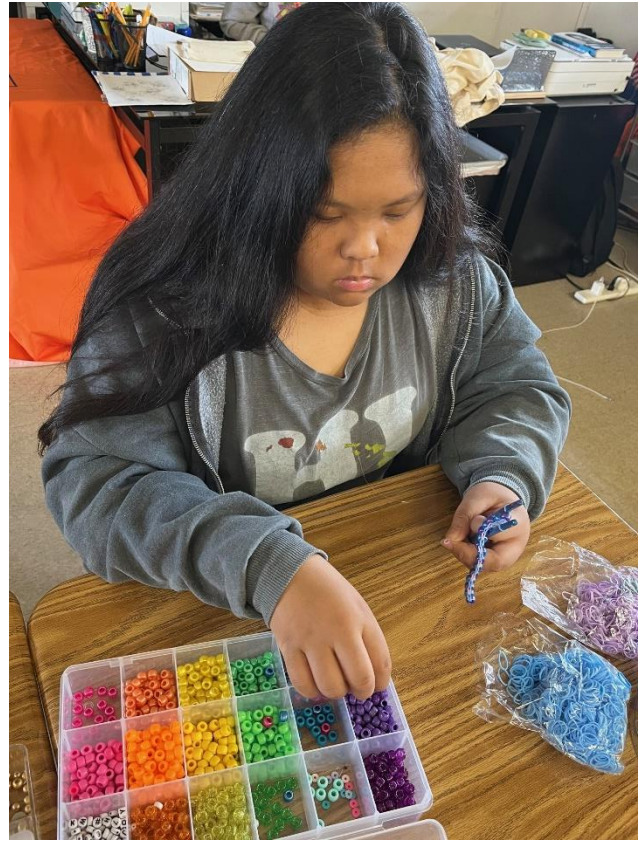

*Flag Football* students worked hard all quarter and had a blast at the last Pylon Flag Football game. Pahoa enjoyed many moments throughout. The biggest takeaway was being a part of a team, to never give up, good sportsmanship, and to have Dagger pride. The 7<sup>th</sup> graders are looking forward to next year.
