BASKETBALL

Dusting off their basketball skills, students are excited to be back on the court with friends. All-Stars are hyped for the long awaited Sports Showdown to take place, where they compete in friendly competition with other All-Stars schools.

SOCCKER

Working on the fundamentals like passing and dribbling, students quickly gain a new favorite sport. Students practice various drills to strengthen their game in friendly scrimmages.

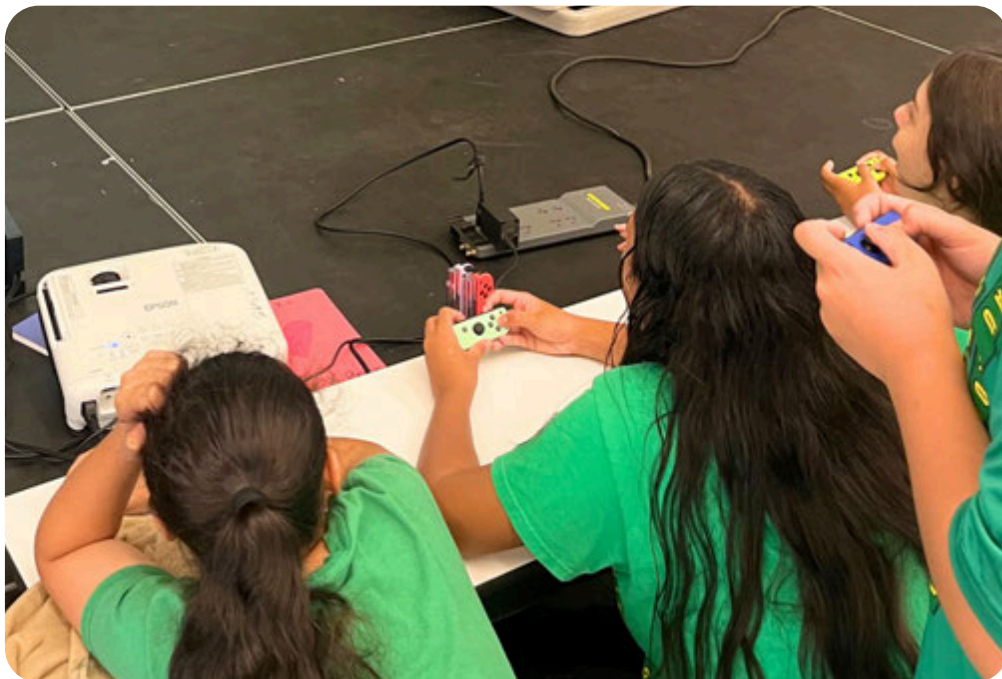

KEAAU MIDDLE AFTER-SCHOOL ALL-STARS JUNE 2025

ESPORTS

All-Stars work on drifting to gain speed over opponents in Mario Kart. Students hold a Friday tournament to determine team captains for their next game, Smash Bros.

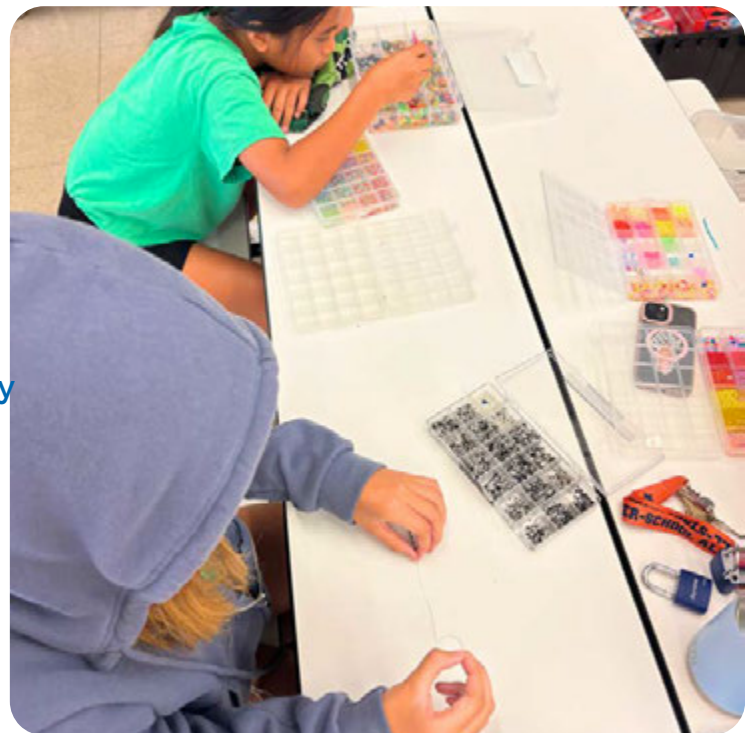

KEAAU MIDDLE AFTER-SCHOOL ALL-STARS JUNE 2025

STEM

Students learn about Morse code and use their new knowledge with beads. Students make coded bracelets that say ASAS or BFF in this new language.

MULTI-SPORTS

Students begin each practice with stretching exercises to warm up and prevent injuries. They then focus on hitting drills and catching practice to improve their coordination and teamwork.

STAFF TRAINING

Hawai'i Island staff members participated in a training provided by Positive Coaching Alliance to prepare for summer program and incoming 6th graders. Collaborating with other ASAS schools, Site Coordinators and Program Leaders developed strategies and coaching techniques to better support our students.

VOLLEYBALL

Working in groups, students practiced bumping and spiking skills. Practicing on the half court helped students, new to the game, build confidence in spiking over the net.

ART

Students take advantage of the perfect weather and take art outside. While waiting for their paintings to dry, students had fun creating chalk drawings on the pavement.
