### STEM

For this paper tower challenge, All-Stars worked in teams to build the tallest, strongest paper structures using only paper and tape. The winning team's structure had to support different items without collapsing. It was engineering, teamwork, and creativity all in one fun challenge.

### SUMMER STAFF TRAINING

At After-School All-Stars Hawaii, we believe in empowering our team just as much as we empower our students. This month, our All-Stars staff flipped the script—becoming “students” themselves during training sessions that included playful, hands-on games designed to build leadership and connection.
