## VOLLEYBALL

Students practice setting and spiking during fast-paced drills and friendly gameplay. These experiences strengthen coordination, teamwork, and confidence with every rally.

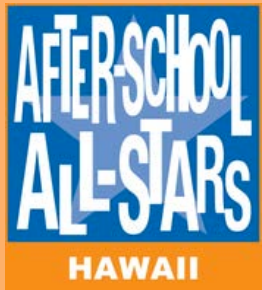

# PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS MARCH 2026

## CHESS

Pāhoā Chess Class students play and apply strategies they have learned while thinking several moves ahead. They use critical thinking skills and problem-solving while having fun and challenging each other.

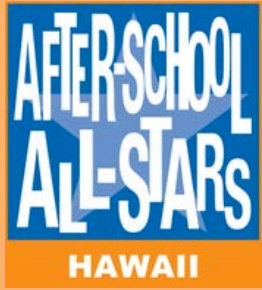

# PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS MARCH 2026

## COOKING

Students work together to follow recipes and prepare sweet treats for Hō'ike, including snickerdoodles and berry cobbler. Through hands-on baking, they develop teamwork, attention to detail, and confidence in the kitchen.

## BASKETBALL

Basketball students practice passing, one-on-one lay-ups, and defensive skills through active drills and gameplay. Their energy and encouragement for one another builds confidence, teamwork, and a love for the game.

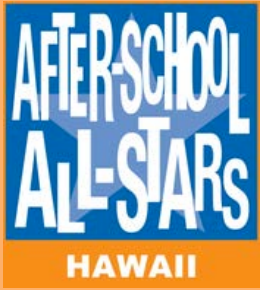

# PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS MARCH 2026

## STEM

STEM students engineer a maze for a marble while using their thinking skills to design a fun and fast-paced game. They collaborate, test ideas, and problem-solve together as they guide the marble through their creative designs.

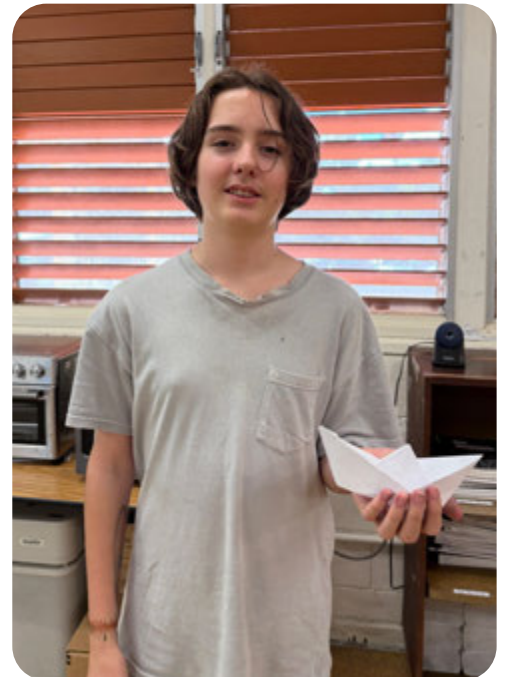

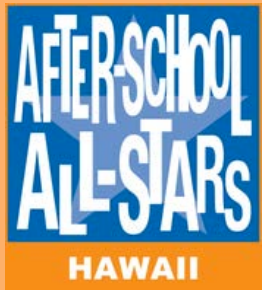

# PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS MARCH 2026

## DIY

DIY class learn and practice origami, the ancient Japanese art of paper folding, as they create cranes, boats, and star boxes. Students focus, follow each step carefully, and enjoy bringing simple paper to life. Smiles and creativity fill the room as they have fun exploring this timeless craft together.
