

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

CREATIVE ARTS

Pahoa All-Stars students explore creativity through oil pastel art, experimenting with vibrant colors, blending techniques, and texture. This hands-on activity encourages imagination, self-expression, and confidence while students share ideas and enjoy the creative process together.

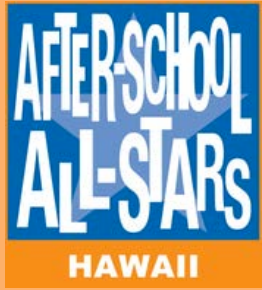

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

BASKETBALL

Students practice basketball, working on one-on-one defense drills while focusing on shooting and rebounding. They encourage each other, demonstrating strong sportsmanship as they hustle, improve their skills, and have fun on the court together.

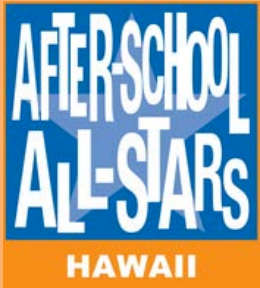

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

CHESS

Students play chess, carefully planning their moves as they explore new openings and refine their defensive strategies. They stay focused, engaged, and challenge each other while enjoying the game.

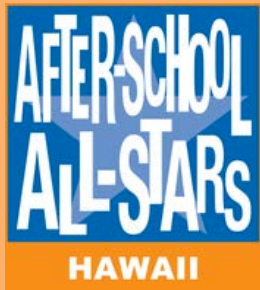

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

VOLLEYBALL

Volleyball students practice essential skills including bumping, setting, and spiking while strengthening teamwork and communication. Through encouragement and active participation, students build confidence and sportsmanship on the court.

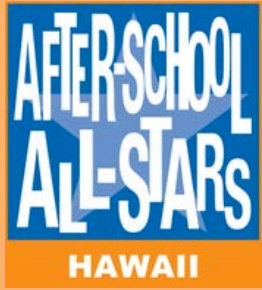

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

ESPORTS

All-Stars play Esports, diving into fast-paced matches of Super Smash Bros as they laugh and cheer each other on. They use strategy and quick thinking to compete, all while showing great sportsmanship and having a blast together.

COOKING

Cooking class students prepare apple hand pies, following a student-inspired idea as they mix, fill, and bake with excitement. The pies are a miniature, portable version of an apple pie, and they turn out warm and delicious.

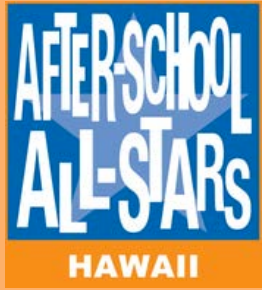

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

COOKING

Students add the finishing touches to their apple hand pies, carefully glazing and plating each one with pride. The pies turn out scrumptious, and the class enjoys their delicious results together.

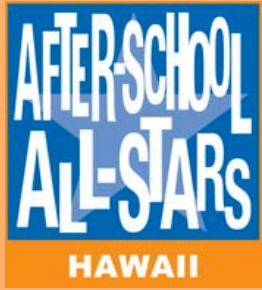

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

STEM

STEM students learn about non-Newtonian fluids and polymers as they mix and create colorful slime. They stretch and squish it, discovering its unique properties. The slime is stretchy and satisfying to play with, making the activity both fun and educational.

PAHOA INTERMEDIATE AFTER-SCHOOL ALL-STARS APRIL 2026

DIY

In celebration of Earth Day, students create nature-inspired clay projects that reflect creativity and environmental awareness. This activity encourages self-expression while reinforcing the importance of caring for the planet.
