

**WAIAKEA INTERMEDIATE  
AFTER-SCHOOL ALL-STARS  
MAY 2026**

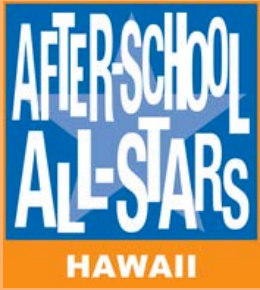

**ARTS AND CRAFTS**

All-Stars students create and customize slime projects while practicing patience, focus and attention to detail. Creative activities encourage self-expression while strengthening fine motor skills and resourcefulness.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

## BASKETBALL

All-Stars students practice agility and footwork skills while running through dribbling and shooting drills. Time on the court develops their hand-eye coordination, tactical thinking, and sportsmanship.

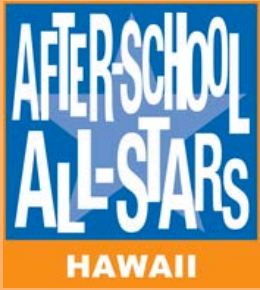

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

## COOKING

All-Stars Cooking students explore culinary skills through hands-on activities like preparing vegetables, slicing meats, and creating tasty spreads. These activities encourage sensory awareness, self-sufficiency, and resource management while making meals.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

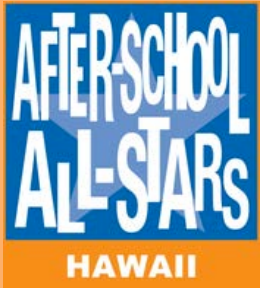

## ESPORTS

Esports students explore strategic foresight and analysis through competitive team play and peer reviews. These activities build hand-eye coordination, digital communication, and quick decision making as students work together to achieve their game goals.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

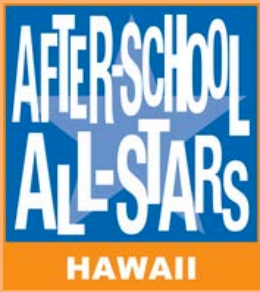

## YOUTH CLUB

All-Stars students in Youth Club learn the importance of self-care and reflection while participating in interpersonal activities such as group meditation and manicuring. These activities help build self-confidence, positive peer connections, and healthy conflict-resolution skills.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

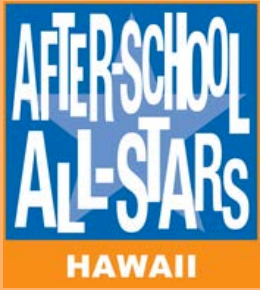

## MAKEUP

All-Stars students explore color theory and makeup application techniques, including blending, contouring, and skin preparation. Make-Up students are encouraged to embrace their creativity on a variety of face types, blending visual artistry with another form of self-care and expression.

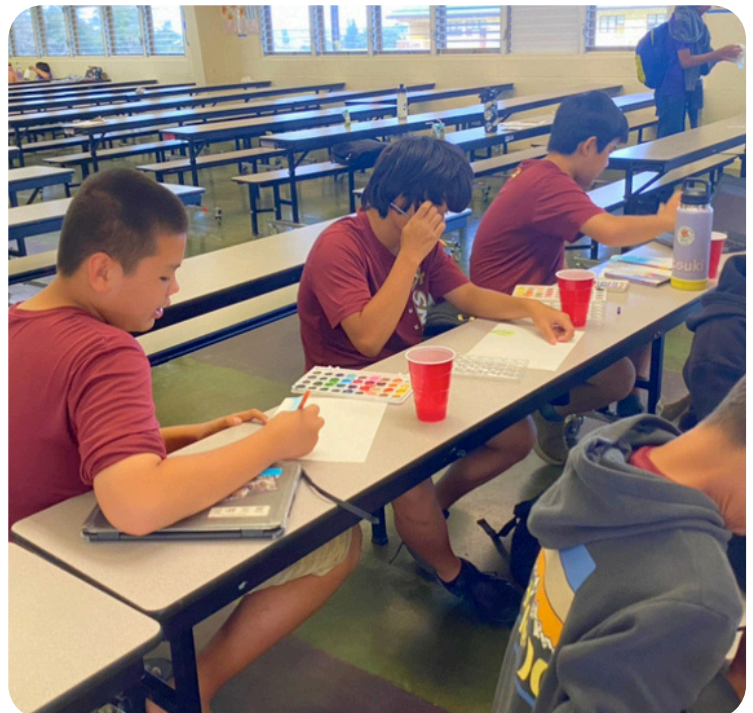

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

## PAINTING

From using acrylics on cardboard to watercolors on papers, All-Stars experiment with a variety of materials and techniques to expand their painting abilities. Exposure to different artistic styles encourages creativity, innovation, and confidence in self-expression.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

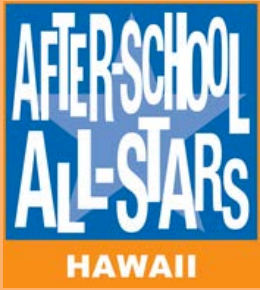

## STEM

STEM students explore Newton's First Law of Motion through hand-on engineering and science activities, including creating paper models for their marble-movement experiment. Activities like these allow students to strengthen observation, problem-solving, and analytical thinking skills while introducing students to STEM career pathways.

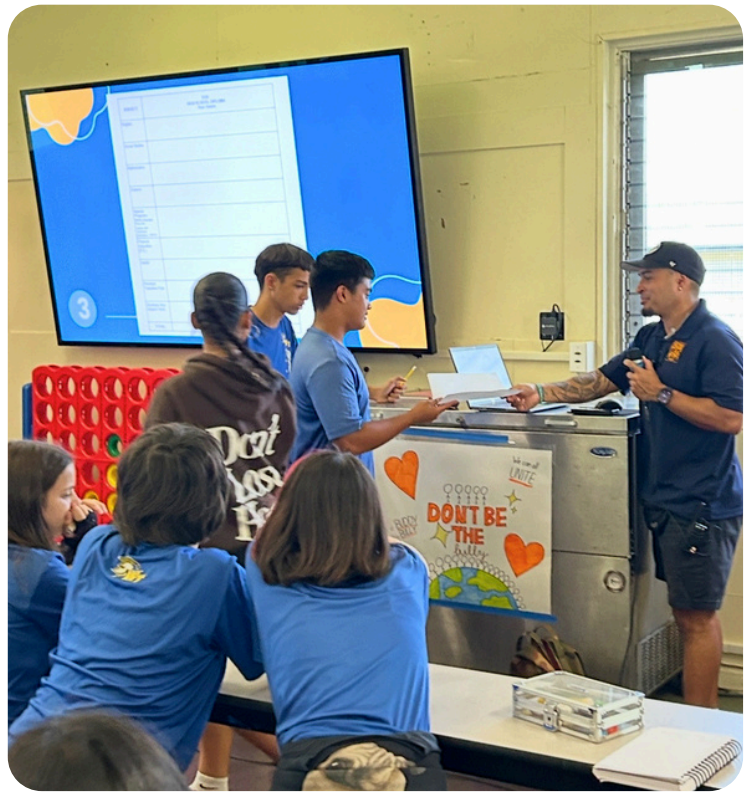

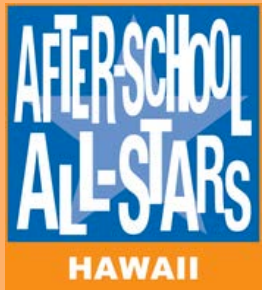

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

## WE ARE READY

Eighth grade students participate in the final phase of the We Are Ready curriculum, developing skills that support success in high school and beyond. Resume writing, mock interviews, and schedule management activities helps students develop self-advocacy, communication, and college and career readiness skills.

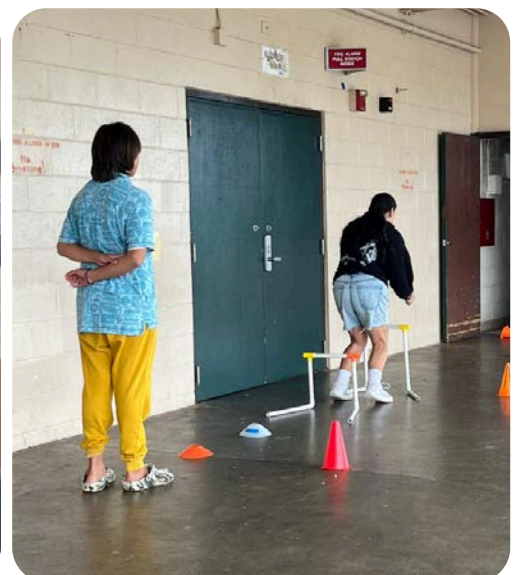

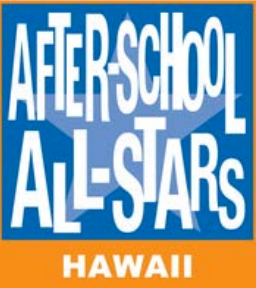

## WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

### CAREER FAIR

Waiākea All-Stars participate in the 2026 ASAS Career fair asking questions and building connections with professionals from various industries. Meaningful conversations and interactive experiences help students explore their career interest and pathways.

# WAIAKEA INTERMEDIATE AFTER-SCHOOL ALL-STARS MAY 2026

## LIFE SERVICE ACTION: TEACHER APPRECIATION WEEK

In honor of Teacher Appreciation Week, All-Stars create a “Thank You” banner dedicated to all school staff. The project combines skills learned in art and painting while encouraging gratitude and appreciation for school staff members.
