

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

ARCHERY

Jarrett All-Stars strengthen their archery skills through fun challenges, friendly competitions, and creative target practice. Each activity builds focus, consistency, patience, and confidence while students improve their accuracy.

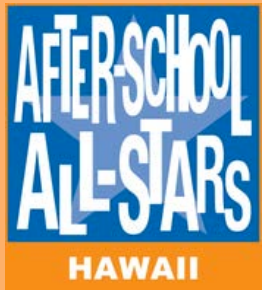

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

ARTS AND CRAFTS

Jarrett All-Stars create beach-inspired artwork. As they complete each project, students strengthen creativity while practicing brushwork, color blending, and attention to detail.

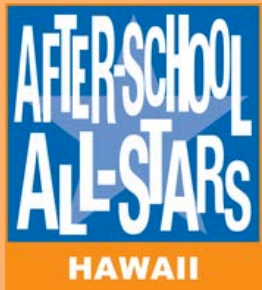

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

COOKING

Jarrett All-Stars build confidence in the kitchen by practicing safe knife skills and preparing ingredients for recipes such as spaghetti bolognese, French toast with bacon, kalua pig, and chicken curry. Each lesson strengthens cooking techniques, kitchen safety, and teamwork.

CREATE YOUR OWN STICKER BUSINESS

Through a partnership with Punahou students, Jarrett All-Stars design original stickers and learn how creativity can become a small business. Throughout the project, students explore entrepreneurship, marketing, and the process of bringing an idea from concept to production.

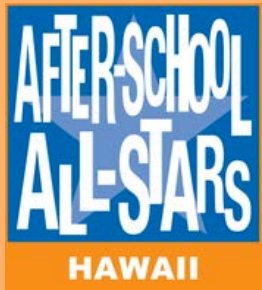

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

DANCE

Jarrett All-Stars practice choreography by refining favorite routines while learning new dance combinations. Each rehearsal builds coordination, confidence, teamwork, and performance skills.

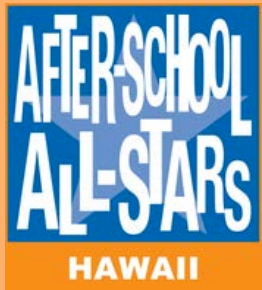

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

STRATEGIC GAMES

Jarrett All-Stars strengthen critical thinking and teamwork through card games and collaborative puzzles. Each activity encourages communication, problem-solving, and strategic decision-making while students enjoy friendly competition.

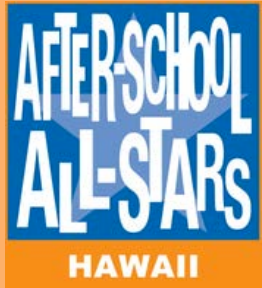

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

STEM

Jarrett All-Stars explore science through hands-on experiments that make learning engaging and memorable. Students investigate biology by extracting DNA from strawberries, explore material science by making slime, and discover chemical reactions through the elephant toothpaste experiment.

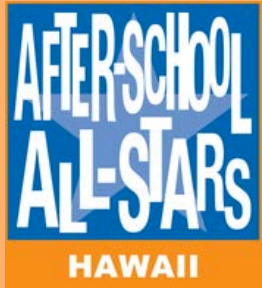

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

TEAM BUILDING

Jarrett All-Stars participate in daily team-building activities that strengthen friendships, communication, and collaboration. From marshmallow tower challenges to Capture the Flag, each activity encourages teamwork while creating a positive and supportive environment.

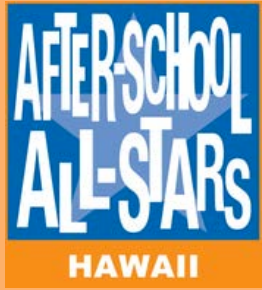

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

TENNIS

With help and instruction from Punahou high school students, All-Stars develop tennis fundamentals while building footwork, hand-eye coordination, and sportsmanship. Learning a new sport helps students strengthen athletic skills and confidence through active play.

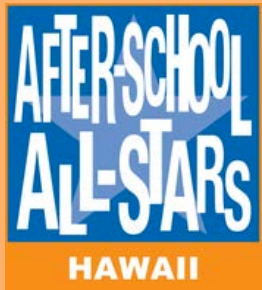

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

VOLLEYBALL

Jarrett All-Stars practice volleyball fundamentals by developing their passing, setting, and serving skills. Each session builds teamwork, communication, and confidence as students prepare for the upcoming ASAL volleyball season.

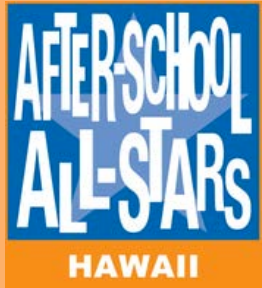

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

AFTER-SCHOOL ALL-STARS HAWAII BIRTHDAY PARTY

Jarrett All-Stars celebrate the 17th anniversary of After-School All-Stars Hawaii by creating decorations and enjoying a special celebration together. The event builds community while recognizing another year of learning, friendship, and opportunity.

JARRETT MIDDLE SCHOOL AFTER-SCHOOL ALL-STARS JUNE 2026

POLYNESIAN CULTURAL CENTER

Jarrett All-Stars explore Polynesian cultures during a field trip to the Polynesian Cultural Center. Students participate in hands-on cultural activities while learning about traditions, history, and practices from across Polynesia.
