

WAI'ANAE INTERMEDIATE AFTER-SCHOOL ALL-STARS JUNE 2026

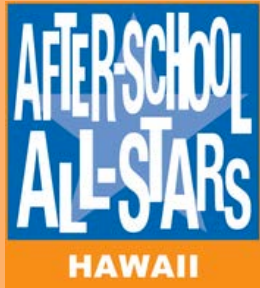

SUMMER PROGRAM BEGINS WITH STUDENT WELCOME

Wai'anae All-Stars begin the summer by learning program expectations built around three core values: Respect Yourself, Respect Others, and Respect Our School. Students then participate in team-building activities that help them build friendships, strengthen communication, and start the summer with confidence.

After setting program goals, students participate in a lively game of Jun Ken Po (Rock, Paper, Scissors) to kick-off summer team building activities. The game encourages communication, collaboration, and relationship-building while helping students feel connected and engaged from the very first day.

TEAM BUILDING

All-Stars strengthen communication, teamwork, and problem-solving through the Hula Hoop Pass challenge. As students work together to move the hoop around the circle without breaking their grip, they build trust, cooperation, and perseverance.

STEM

Wai'anae All-Stars combine science and creativity by designing colorful galaxy bottles by layering cotton, dyes, and glitter. The hands-on project encourages creativity while introducing students to color mixing, layering techniques, and scientific observation.

ARTS AND CRAFTS

After-School All-Stars Hawaii summer program gives students a space to express their creativity, try new media, and demonstrate their unique talents. From sketching initial ideas to blending colors on canvas, students develop creativity, patience, and attention to detail.

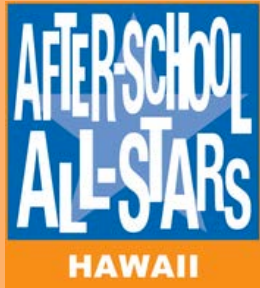

WAIANAE INTERMEDIATE AFTER-SCHOOL ALL-STARS JUNE 2026

FOOTBALL

Waianae All-Stars build strength, agility, and confidence through football conditioning and skill development. Students practice proper stretching, agility drills, and fundamental techniques while learning the importance of safety, discipline, and teamwork. The class uses training technology and precise measurement to track student progress and help them reach their athletic goals safely.

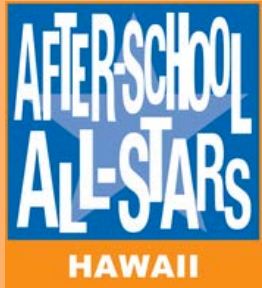

WAIANAE INTERMEDIATE AFTER-SCHOOL ALL-STARS JUNE 2026

VOLLEYBALL

After-School All-Stars Hawaii summer program keeps students active and engaged with outdoor team sports. Students practice volleyball fundamentals by developing their passing, setting, serving, and court positioning skills. Each session strengthens teamwork, communication, coordination, and positive sportsmanship.

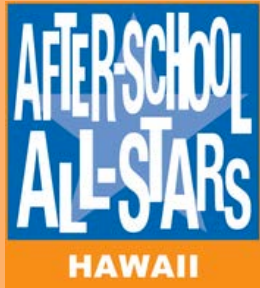

WAIANAE INTERMEDIATE AFTER-SCHOOL ALL-STARS JUNE 2026

BASKETBALL

Whether students are pushing the ball down the court on a fast break, boxing out for a rebound, or leaping high above the rim to block a shot at the hoop, All-Stars strengthen communication, teamwork, and sportsmanship while improving their passing, dribbling, and defensive techniques.
