LIFE SERVICE ACTION: CAMPUS CLEANUP

Jarrett All-Stars give back to their school community by helping clean up the campus and prepare it for the new school year.

Through this hands-on service project, students learn the value of taking pride in, and caring for, the spaces they share.

AUGUST 2026

MULTI-SPORTS

Jarrett All-Stars learn the fundamentals of flag football, including routes such as the post, slant, and go. Students also design plays and use creativity to put their strategies into action on the field while practicing communication and teamwork skills.

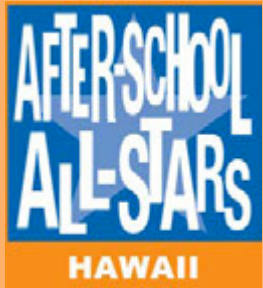

JARRETT MIDDLE AFTER-SCHOOL ALL-STARS AUGUST 2026

COOKING

Jarrett All-Stars learn to prepare a variety of dishes, including chicken Alfredo pasta, Oreo mud pies, and made-from-scratch pancakes. As they follow recipes and work through each step, students practice patience, time management, and kitchen skills while building confidence in their abilities.

ALL-STARS LEADERSHIP UNIVERSITY (ASLU)

All-Star students, including one from Jarrett All-Stars, represent ASAS Hawaii at the 2026 All-Stars Leadership University at Pepperdine University in Los Angeles. Through leadership workshops, team-building activities, and service learning with students from After-School All-Stars chapters across the country, participants build confidence and strengthen their leadership skills. The experience inspires students to make a positive impact in their schools and communities.
