

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

MULTI-SPORTS

King All-Stars explore a variety of sports while developing athletic skills, learning key techniques, and practicing strategic teamwork. Through active play, students build coordination, communication, and confidence while discovering the value of working together.

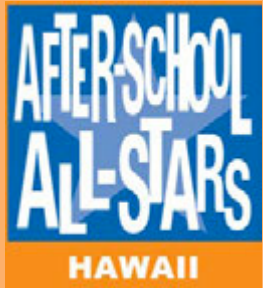

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

HAWAIIAN VALUE OF THE WEEK: LAULIMA

King All-Stars practice Laulima by working together, supporting their peers, and contributing toward shared goals. Through teamwork and collaboration, students learn how their individual efforts can help strengthen their group and community.

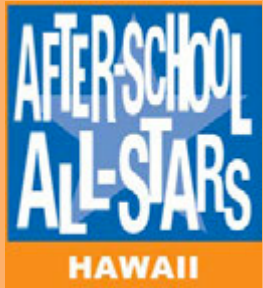

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

HAWAIIAN VALUE OF THE WEEK: HA'AHEO

King All-Stars embody Ha'aheo by taking pride in their work, showing self-respect, and striving for excellence in all they do. Students learn that pride comes from putting forth their best effort and recognizing the value of their contributions.

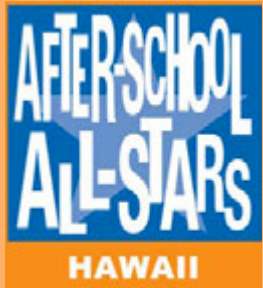

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

COOKING

King All-Stars explore cooking while developing practical culinary skills and building confidence in the kitchen. Through hands-on activities, students practice following directions, working together, and creating food they can be proud of.

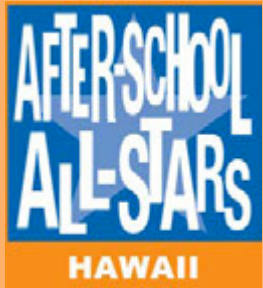

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

ENGINEERING

King All-Stars apply engineering principles by designing and constructing bridges with limited materials. Students test their structures for strength and stability while using creativity, critical thinking, and problem-solving to improve their designs.

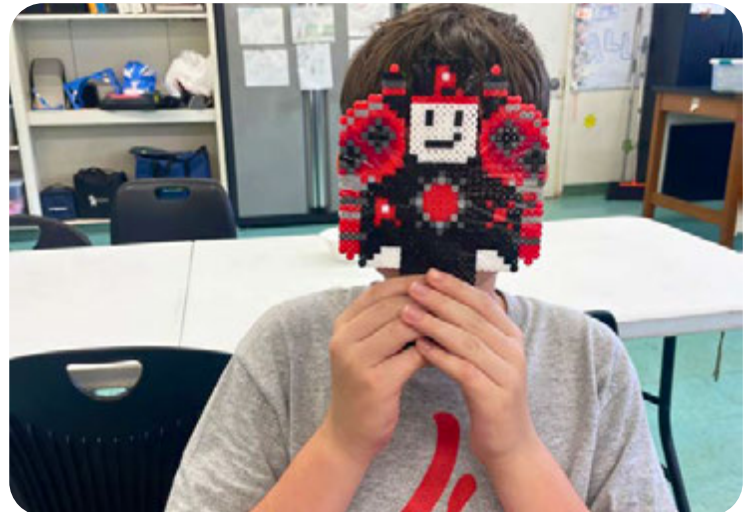

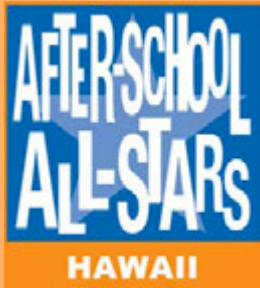

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

ARTS & CRAFTS

King All-Stars develop fine motor skills, design thinking, and patience, as they plan, arrange, and fuse colorful beads into custom creations. The hands-on activity encourages creativity, focus, and pride as students bring their designs to life.

KING INTERMEDIATE AFTER-SCHOOL ALL-STARS AUGUST 2026

STRATEGIC GAMES

King All-Stars sharpen their critical thinking, spatial reasoning, and tactical planning through engaging gameplay. Students build dexterity, pattern recognition, and adaptability while learning to make thoughtful decisions in competitive settings.
