

KEELIKOLANI MIDDLE AFTER-SCHOOL ALL-STARS OCTOBER 2026

BASKETBALL

Ke'elikōlani All-Stars prepare for league competition by sharpening their basketball skills and building team chemistry.

Through practice, students strengthen their teamwork, sportsmanship, and commitment to supporting one another on and off the court.

ALL-STARS ATHLETIC LEAGUE BASKETBALL GAMES

Ke'elikōlani All-Stars compete in ASAL Basketball games, applying what they practice as they work together on the court. Playing against other teams helps students build confidence, demonstrate sportsmanship, and strengthen connections with fellow All-Stars.

ARTS AND CRAFTS

Ke'elikōlani All-Stars explore their creativity through scrapbooking, using colorful materials and decorative details to personalize their pages. The activity encourages self-expression, focus, and creativity while giving students a chance to showcase their unique ideas.

ARTS AND CRAFTS

Ke'elikōlani All-Stars create beaded bracelets by selecting colors and arranging beads into designs of their own. The activity encourages creativity and attention to detail while helping students practice fine motor skills and take pride in something they make themselves.

COOKING

Ke'elikōlani All-Stars work together in the kitchen as they prepare food and practice hands-on cooking skills. Following steps, handling ingredients, and sharing responsibilities help students build independence, teamwork, and confidence in the kitchen.

VAPE PREVENTION

Ke'elikōlani All-Stars learn about the risks of vaping and how tobacco use can affect brain development at a young age. Students create prevention posters to share what they learn and encourage healthier choices throughout their school community.

YOUTH ADVISORY BOARD

Ke'elikōlani Youth Advisory Board members join a virtual meeting to strengthen their leadership skills, take notes, and share ideas for future service projects. By working with fellow student leaders, they build communication and collaboration skills while exploring ways to make a positive impact in their community.
