NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

ARTS & CRAFTS

Students turn the first letter of their name into a creative art piece using recycled cardboard and yarn. This hands-on activity boosts creativity while strengthening fine motor skills and encouraging the reuse of materials.

BASKETBALL

Students improve basketball skills by learning different passing techniques, practicing dribbling, and working on proper shooting form. Through fun games and exercises, students develop hand-eye coordination, communication, and teamwork.

NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

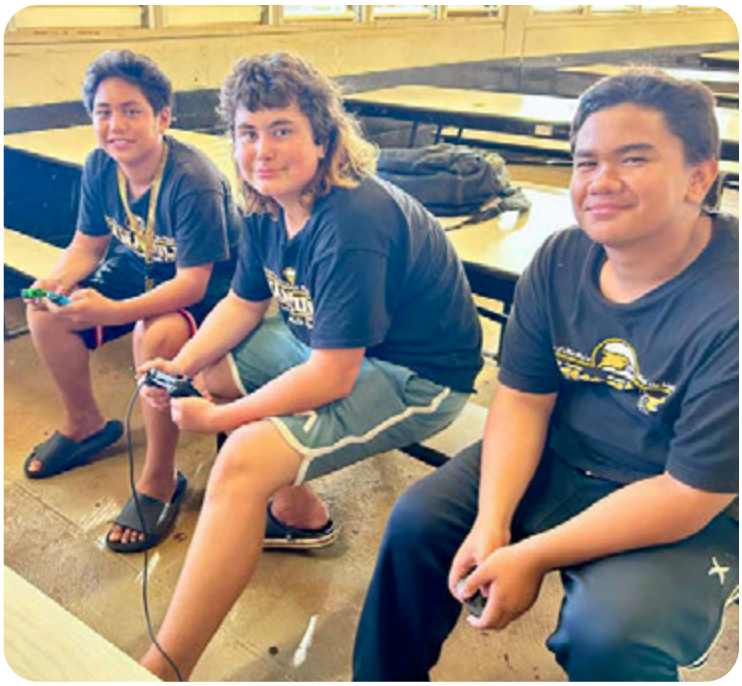
COOKING

Students practice their cooking skills by following a recipe and learning hands-on techniques such as measuring, mixing, piping, and frying. Students put their skills to work making delicious churros.

NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

ESPORTS

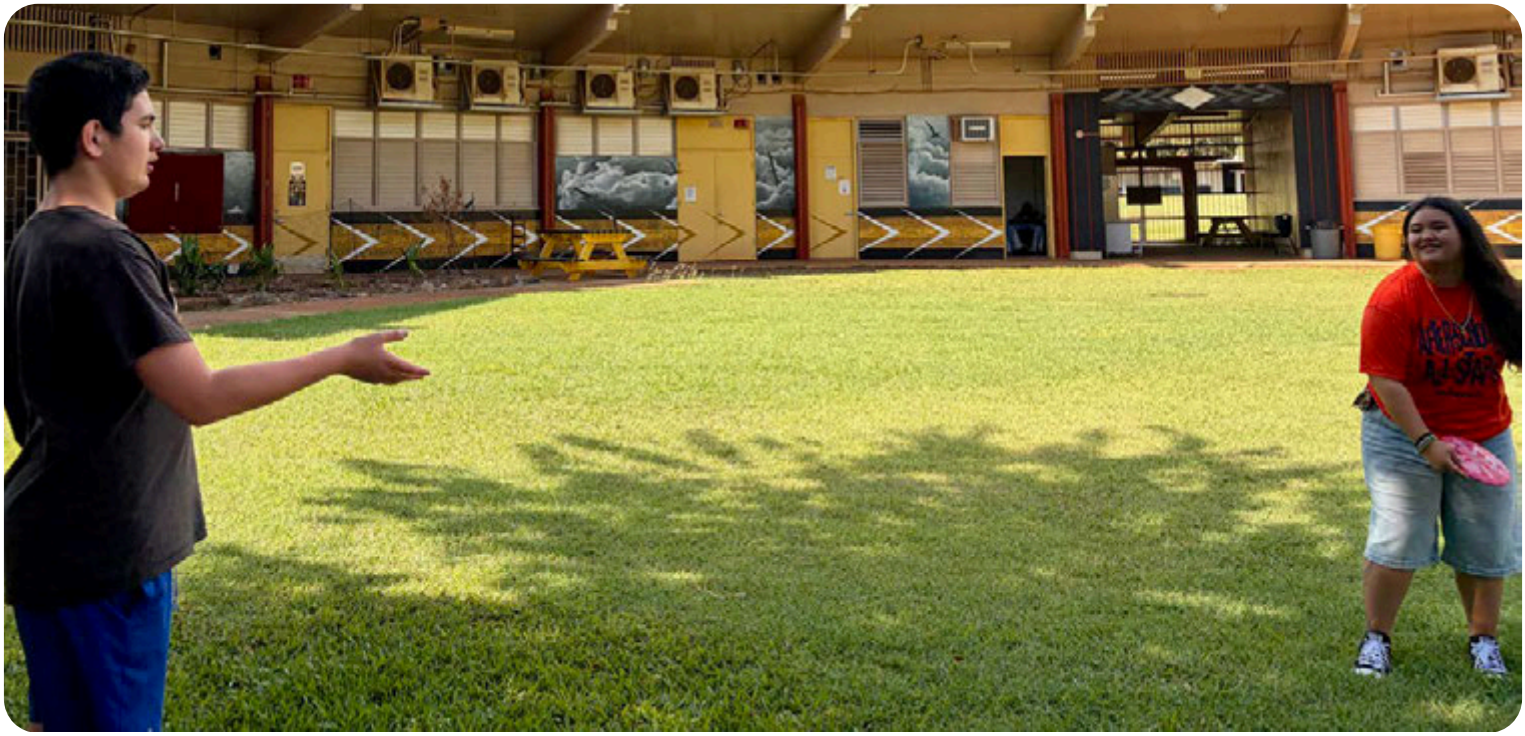
All-Stars have a blast playing games like Minecraft while developing engineering skills through creativity, problem-solving, and building. Students learn to think critically and work through challenges in a fun, engaging environment.



NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

MULTI-SPORTS

All-Stars learn proper Frisbee throwing and catching techniques while building their skills and working toward playing a game of Ultimate Frisbee. Students develop hand-eye coordination, spatial awareness, and teamwork, while having fun.



NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

PAINTING

All-Stars explore creativity through a variety of painting techniques, from blowing paint through straws to creating freehand artwork and color-by-number designs. Experimenting with different methods helps students build attention to detail, practice brush control, and express their ideas through art.

NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

HAWAIIAN VALUE OF THE WEEK

All-Stars learn about Hana Pono, which means to work carefully and correctly, by putting the value into practice as they work together to complete a puzzle. Patience, focus, and attention to detail help students strengthen problem-solving skills and appreciate the importance of working together.

NANAKULI HIGH & INTERMEDIATE AFTER-SCHOOL ALL-STARS SEPTEMBER 2026

VAPE AND TOBACCO PREVENTION

Students learn about the dangers of vaping and tobacco use, along with healthy ways to manage stress. They wrap up the three-week curriculum by creating vape prevention flyers to share around campus, helping reinforce what they learn and raise awareness among their school community.
